Greater Intimacy With Our Creator:

Greater Intimacy with Our Creator Robert Sr. Eldredge (Sr),2013-02 The author begins by boldly proclaiming that the inspiration for this book came from an unusual dream In the dream he said that the greatest teaching to learn was how to become more intimate with our Creator Since the author had never even taught on this particular subject before it seems very unlikely that the dream came from his own soulish mind It was also revealed in the dream that our intimacy with Him was supposed to be like when we are romantically in love with another person This book can relate to people in every level of spiritual growth including those who have never experienced the pure love of God his forgiveness of sins and the assurance of eternal life with Him In the latter part of the book even those who already have a deep personal relationship with God are challenged to seek even higher levels of intimacy with Him by becoming true disciples of His only begotten Son and by worshipping Him in spirit and in truth for He longs for us to respond to his own infinite and personal love for us

Being Gay, Being Christian Stuart Edser, 2012-01-18 Is it possible to be both gay and Christian This book explains calmly and logically that the two are not mutually exclusive With the support of some of the finest scientific and theological minds Dr Stuart Edser presents a compelling case for tolerance and acceptance rejecting the traditional Christian view that gay people are either sick or sinful as a result of their sexual orientation While shrill voices of prejudiced fundamentalism are raised from all sides of the Christian church he invites the reader to a new experience of God Dr Edser is uniquely qualified to explain the biology psychology and sociology of being gay as well as to examine the Bible its interpretation and traditional Christian teaching on sexual morality Not only does he have a wealth of experience grounded in the Church both Catholic and Protestant but he is also a psychologist author and researcher Moreover he threads his own extraordinary story through the text using this and his experience as a clinician to guide his thinking In particular he offers a positive and rational voice so often glaringly absent from the Church s utterances on homosexuality He argues passionately for church people everywhere to open their minds and show a willingness to discard older ways of thinking where more modern explanations reveal the truth more accurately And he encourages gay Christians to integrate their sexuality and their faith so that both are valued equally BEING GAY BEING CHRISTIAN is a call for reformation within the Christian church an appeal to modernity in our approach to knowledge and a practical self help book for people who are struggling with their sexuality so they can find both self esteem and a connection with God It will be of particular interest to People confused about their sexuality Young gay people Gay people who go to church Christian families and friends of gay people Clergy and church workers
