risky and hasn't always been welcome. How can you ensure that you and your colleagues feel as though mental health is supported at the office? The HBR Guide to Better Mental Health at Work contains practical tips and advice to help you bring mental health out of the shadows and into everyday conversations. You'll learn how to build habits to support your mental health. Stay productive even when you're not feeling like yourself. Talk about mental health with peers and managers. Reach out to someone who might be struggling. Consider the impact of intersectionality. Offer the benefits people really need. Fight the stigma and reduce shame. Arm yourself with the advice you need to succeed on the job with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

Uncommon Law of Learned Writing 2.0 Chinua Asuzu, 2023-09-10 As lawyers we must not in hot pursuit of common law outrun common sense. The dread of that eventuality prompted this book. *Uncommon Law of Learned Writing 2.0* promotes common sense in legal language. Plain language, which is commonsensical, broadens access to legal documents, thus democratizing the law. If democracy is government of the people, by the people, and for the people, law is the language in which government interacts with the people; it's the language of democracy. The people whose government speaks through law must understand what is said. No democratic society should brook legalese, a dense, verbose dialect known only to lawyers. What then should society do to redress the lawyer-induced obscurity? A Shakespearean character had an alarming proposal: The first thing we do let's kill all the lawyers. Apparently that proposal was not enthusiastically endorsed, which explains why we're still here. A milder remedy: enrolling lawyers in language classes has been mooted, which explains why this book is in your hands. *Uncommon Law of Learned Writing 2.0* motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries. This book is as sweeping and authoritative a treatment of its subject as you can find anywhere.

Better Business Writing: A Modern Approach Pasquale De Marco, 2025-05-14 *Better Business Writing: A Modern Approach* is the essential guide to writing clear, concise, and persuasive business documents. Whether you're a seasoned professional or just starting out in your career, this book will help you take your business writing skills to the next level. In this comprehensive guide, you'll learn the fundamentals of effective writing, including how to write clear and concise sentences, how to organize your writing logically, how to adapt your writing style to different audiences, how to write persuasive proposals and presentations, how to use storytelling to engage your audience. You'll also find practical tips and techniques that you can use immediately to improve your writing, such as how to avoid common writing mistakes, how to use active voice and strong verbs, how to proofread your writing effectively, how to use technology to improve your writing. With *Better Business Writing: A Modern Approach*, you'll have the tools and knowledge you need to write with confidence and clarity. Tested Writing Methods Mike Murach,2023-09-21 This book takes a top down approach to writing that will teach you all the writing methods that you need for success on the job What s hard to believe is that most of these methods aren t taught in high school or in college or in other books on writing In chapters 1 and 2 for example you ll learn how to use headings and subheadings to guide your readers and plan what you re going to write That s a critical skill for any document of two pages or more but you won t find anything about headings in most writing books In chapter 3 you ll learn how to write paragraphs that deliver one fully developed idea at a time That too is a critical skill because the paragraph is the primary unit of composition But most writing books have precious little to say about paragraphing On the other hand most writing books tell you far more than you need to know about writing sentences In contrast chapter 4 of this book uses a unique top down approach to show you how to write sentences that are easy to read and understand That way you can start with the skills that matter the most and then refine those skills one level at a time Chapters 5 and 6 continue this top down approach to writing With those skills in your skillset you re ready for chapter 7 It shows you when and how to use writing tools like ChatGPT that are driven by Artificial Intelligence As you will see these are powerful new tools but you need all the other skills in this book to get the most from them Last chapters 8 9 and 10 show you how to use the Microsoft Word features for writers templates styles the outline feature and the spelling and grammar checker If you don t already use these features you ll be glad you discovered them And if you don t already use Microsoft Word these chapters will show you why you should

HBR Guide to Being More Productive (HBR Guide Series) Harvard Business Review,2017-06-27 Productivity starts with you Every day begins with the same challenge too many tasks on your to do list and not enough time to accomplish them Perhaps you tell yourself to just buckle down and get it all done skip lunch work a longer day Maybe you throw your hands up recognize you can t do it all and just begin fighting the biggest fire or greasing the squeakiest wheel And yet you know how good it feels on those days when you re working at peak productivity taking care of difficult and meaty projects while also knocking off the smaller tasks that have been hanging over your head forever Those are the times when your day didn t run you you ran your day To have more of those days more often you need to discover what works for you given your strengths your preferences and the things you must accomplish Whether you re an assistant or the CEO whether you ve been in the workforce for 40 years or are just starting out this guide will help you be more productive You ll discover different ways to Motivate yourself to work when you really don t want to Take on less but get more done Preserve time for your most important work Improve your focus Make the most of small pockets of time between meetings Set boundaries with colleagues

without alienating them Take time off without tearing your hair out Arm yourself with the advice you need to succeed on the job with the most trusted brand in business Packed with how to essentials from leading experts the HBR Guides provide smart answers to your most pressing work challenges *HBR Guide to Building Your Business Case* Raymond Sheen,Amy Gallo,2015 You ve got a great idea that will increase revenue or productivity but how do you get approval to make it happen By building a business case that clearly shows its value Maybe you struggle to win support for projects because you re not sure what kind of data your stakeholders will trust or naysayers always seem to shoot your ideas down at the last minute Or perhaps you re intimidated by analysis and number crunching so you just take a stab at estimating costs and benefits with little confidence in your accuracy To get any idea off the ground at your company you ll have to make a strong case for it This guide gives you the tools to do that The Art and Science of Effective and Impactful Business Communication for Managers Karminster Ghuman,2024-09-16 Though we all communicate yet effective communication is not an innate skill for many people It has to be learned and practiced This book has been designed to meet postgraduate management students requirements and equip them with the skills needed for effective workplace communication emphasizing strategies for business interactions It shall impart learning on core principles of business communication and shall provide practical guidelines regarding how to communicate effectively and impactfully in the complex and nuanced corporate world The book shall provide an in depth understanding of communication practices prevalent in business organisations with the aim of preparing students for their future roles in the corporate world Every chapter has been designed in a manner to provide a tool strategy or approach that can further enhance the effectiveness of the communication of readers for contributing towards their success while working at a business organisation It also covers the new age digital communication competencies employees need in today s highly dynamic and hybrid working environment **HBR Guides to Being an Effective Manager Collection (5 Books) (HBR Guide Series)** Harvard Business Review,Bryan A.
