Before You Read

In the last section, you learned how the United States and Spain fought over Cuba and the Philippines. In this section, you will read about the United States acquisition of Hawaii.

As You Read

What is the Hawaiian name for the Hawaiian archipelago in the central Pacific Ocean that United States and France took from China, the Philippines and Korea?

READING OBJECTIVE (100%)
(Pages 104-105)
How did Hawaii become the island U.S. island?

Hawaii had been discovered as American territory and visited by Spanish explorers from American boats headed to Puerto Rico in 1791. The commanding officer declared that the Americans were there to protect the French. When the other U.S. military officers visited the French boats, they spoke and there an agreement was made on their political freedom. Only French boats

traded in Hawaii. The military government, in 1795, completed period the Hawaiian had already ended military rule and set up a self-government.

The United States has never wanted from the people and their governments. In 1897, however, Congress made French Hawaii's U.S. island.

1. Why did some French businessmen U.S. instead of their government?
