Spiritual Healing Techniques C. P. Kumar, In today's fast paced and stressful world the concept of spiritual healing has become increasingly relevant. People are looking for ways to heal themselves not just physically but emotionally, mentally and spiritually as well. Spiritual healing is a holistic approach that addresses the root cause of a problem rather than just treating its symptoms. This book on Spiritual Healing Techniques is aimed at providing readers with a comprehensive understanding of various spiritual healing techniques that can help them achieve a state of balance and harmony in their lives. The book covers a range of topics from understanding the mind-body connection and the power of visualization in healing to working with spirit guides and angels, chakra healing techniques and past life regression for healing. The book also explores the role of intuition, meditation, sound and music, crystals and gemstones, aromatherapy, yoga and nature in spiritual healing. In addition, the book provides readers with tools such as affirmations and understanding the Law of Attraction for healing and creating a personalized healing plan. Furthermore, the book addresses the challenges that individuals may face during the spiritual healing process, including spiritual emergencies and dark nights of the soul. The book concludes by encouraging readers to embrace the journey of spiritual healing and to give back to others as a way of healing themselves. This book is written in an easy-to-understand language and is suitable for both beginners and those who have some knowledge of spiritual healing. It is a valuable resource for individuals who are looking to improve their physical, emotional, mental and spiritual well-being and achieve a state of balance and harmony in their lives.
