Judiciary Led Reforms In Singapore Framework Strategies And Lessons Directions In Development:

Judiciary-led Reforms in Singapore Waleed Haider Malik, 2007-01-01 While each country's judiciary is unique in its individual needs capabilities and contexts the lessons learned from Singapore's success can help guide judicial reform initiatives regionally as well as globally No one would suggest that Singapore's strategy is a magic formula that if followed can erase the inefficiencies of all judiciaries But it would be wise to examine the strategies used and lessons learned from Singapore's experience as a potential guide towards successful and sustainable judicial reform **Judiciary-led Reforms in Singapore** Waleed Haider Malik, 2007 The judicial reforms in Singapore over the past 15 years have been successful on many counts and its courts are now regarded as some of the most efficient and effective in the world This publication examines the lessons that can be drawn from Singapore's experience to help inform similar initiatives in other countries It highlights how extensive planning prior to initiating reforms and broad based stakeholder participation through the process were critical to the success of the reforms as well as benefiting from a unique political and economic context in Singapore

Informality and Courts Björn Dressel, Raul Sanchez-Urribarri, 2024-12-31 This volume explores an understudied aspect of courts The extent to which informal institutions and relational networks e g professional clientelist family etc relations affect how courts are organised and operate For instance to what extent can good personal relations outweigh professional merits in judicial appointment processes Or in what ways do international or domestic judicial networks help protect courts against other branches of power Our relational institutional perspective allows us to better understand a variety of important processes for the comparative study of courts including judicial appointments judicial decision making judicial administration institutional development inter branch relations corruption and court reform among others More importantly an emphasis on informality sheds new light on the accountability role of courts in democratic regimes at a time when democracy worldwide is at risk and authoritarian regimes are on the rise Bringing together the thoughts of scholars with different levels of seniority and disciplinary expertise this volume offers cross national engagement with theory providing systematic analyses of the configuration operation and roles of informal institutions and relations and their importance in different socio political contexts and legal systems

Public Administration Singapore-Style Jon S. T. Quah, 2010-04-21 Singapore was ranked first for the competence of its public officials from 1999 to 2002 by The Global Competitiveness Report This book intends to provide a detailed study of public administration Singapore style The Stationery Office Agency Catalogue 2007 Stationery Office, 2009-02 No public library discount on this title *Journal of Economic Literature*, 2007 **American Book**
