China and the Global Financial Crisis Jean-Pierre Cabestan,Jean-François Di Meglio,Xavier Richet,2012-11-27 This book examines China's response to the 2007-2008 global financial crisis and the resulting new status acquired by China within the international economy It considers the things China did to weather the crisis discussing the stimulus package put in place by China and how China's banks coped but above all examines the measures which countries outside China look to China to put in place in order to better encourage and secure world wide economic recovery measures such as currency revaluation tax reform and greater stimulation of domestic demand The book contrasts China's response to the crisis and China's increasingly central role in the world economy with the responses of the European Union The book also assesses China's increasingly important regional role in particular its dialogue with the new Japanese government and China's positioning towards Southeast Asia and also discusses the growth of Chinese foreign direct investment

The Crime of Aggression Claus Kreß,Stefan Barriga,2016-10-27 The 2010 Kampala Amendments to the Rome Statute empowered the International Criminal Court to prosecute the supreme crime under international law the crime of aggression This landmark commentary provides the first analysis of the history theory legal interpretation and future of the crime of aggression As well as explaining the positions of the main actors in the negotiations the authoritative team of leading scholars and practitioners set out exactly how countries have themselves criminalized illegal war making in domestic law and practice In light of the anticipated activation of the Court's jurisdiction over this crime in 2017 this work offers over two volumes a comprehensive legal analysis of how to understand the material and mental elements of the crime of aggression as defined at Kampala Alongside The Travaux Préparatoires of the Crime of Aggression Cambridge 2011 this commentary provides the definitive resource for anyone concerned with the illegal use of force

Global Capitalist Crisis and the Second Great Depression Armando Navarro,2012 This book provides a comprehensive political economic and historical analysis of the events and circumstances from the 1920s to 2010 that impacted the rise of today's Global Capitalist Crises Global Economic Crises and the US's Second Great Depression It argues that liberal capitalism is a failed political and economic system in dire need of systemic change into either social democracy or democratic socialism via the creation of a New Movement

Global Democracy Daniele Archibugi,Mathias Koenig-Archibugi,Raffaele Marchetti,2011-10-27 Democracy is increasingly seen as the only legitimate form of government but few people would regard international relations as governed according to democratic principles Can this lack of global democracy be justified Which models of global politics should contemporary democrats

endorse and which should they reject What are the most promising pathways to global democratic change To what extent does the extension of democracy from the national to the international level require a radical rethinking of what democratic institutions should be This book answers these questions by providing a sustained dialogue between scholars of political theory international law and empirical social science By presenting a broad range of views by prominent scholars it offers an in depth analysis of one of the key challenges of our century globalizing democracy and democratizing globalization
