Jungvolk The Story Of A Boy Defending Hitlers Reich:

Jungvolk Wilhelm Gehlen, Don Gregory, 2008-06-19 An extraordinary account of a young boy caught up in the middle of a war frank and even funny at times utterly absorbing Books Monthly This is the wartime memoir of a boy named Will who happened to be the nephew of the head of Nazi Germany's intelligence agency The author only ten years old when the war began became a helper at the local Luftwaffe flak battery fetching ammunition It was exciting work for Will a member of the Jungvolk and by the end of the war he had become expert at judging attacks As fighter raids increased in frequency he noted that the pilots became less skilled Gehlen's town was repeatedly bombed and he often had to help with the wreckage or to pull survivors from basements He witnessed more death than a child ever should nevertheless his flak battery continued firing until US tanks were almost on top of the position In this book Gehlen provides an intimate glimpse of the chaos horror and black humor of life just behind the front lines As seen through the eyes of a child who was expert in aircraft identification and bomb weights food rationing and tank types one encounters a view of life inside Hitler's wartime Reich that is both fascinating and rare Although the memories Gehlen shares are narrow and offer little insight into the Reich itself they're remarkable for the child's perspective they bring to bear on a warring country's ferocious struggle Publishers Weekly A real gem a quiet tour de force Despite its serious subject matter the book reads as an adventure story from start to finish Military Modelling

Youngberg,2005-06 This story was experienced by Eric Kreye as a child Although the story is directed primarily to Junior boys and girls the hearts of many young parents have been captured as well The authors have attempted to instill values such as loyalty to family allegiance to country honesty integrity and faithfulness to God Eric Spent some time with his father in Germany prior to the writing of this story to get an adult's view of Hitler's philosophy Also he wanted to make sure that his memories of World War II were as accurate as possible to make the story not only interesting but meaningful to the young reader Eric's primary purpose for sharing his personal story regardless of the age of the reader is to show how this great and amazing God of the universe carefully guards and guides each person on Planet Earth His second purpose in sharing his experiences is to help counteract the false belief today among some that the atrocities against the Jews during World War II are pure fabrication Finally he wants to encourage every reader to do whatever is possible to stop the ever increasing violence oppression abuse hate and immorality in our flawed yet beautiful world There is a better way Peace security and happiness are possible through the grace and power of Jesus Christ **In Hitler's Bunker** Armin Lehmann,Tim Carroll,2011-08-12 During the last months of Hitler's Berlin an estimated 30 000 German teenagers perished defending their beloved Fhrer in the Russian onslaught Armin Lehmann was one of the few boy soldiers who escaped the bloodbath Like every other member of the Hitler Youth Armin would have given his life gladly for his leader but he was not to be sacrificed to the enemy at the gate Instead he was chosen to serve in the German High Command's bunker complex It was a stroke of fate that brought him into the company of the most notorious Nazis of Hitler's hated Reich including Martin

Bormann Goebbels and of course the Fhrer himself When Hitler greeted Armin the 16 year old boy knew he had been granted a unique part in history In Hitler s Bunker is Armin s eyewitness account of the Nazi apocalypse It is also the story of how his unquestioning fanaticism won him that role in the final act of the Third Reich It takes us back to his boyhood and the brutal SS father who instilled the Nazi s hateful creed in his son It follows Armin s odyssey through the ranks of the Hitler Youth and shares his teenage anguish over his doomed love for a beautiful German nurse It is the story of Armin s gradual realisation of the full horror of what he had been part of and recounts his quest for the truth which took him in the footsteps of Mahatma Ghandi and to a meeting with Albert Schweitzer the missionary and theologian Above all In Hitler s Bunker is the story of how one man instead of running away from his past confronted it and found peace at last A Long Night's Journey Into Day Herbert A. Goertz,2023-03-10 A Long Night s Journey into Day is the story of a young boy growing up in Nazi Germany At first he is seduced by the propaganda and glitter of the Thousand Year Reich as Adolf Hitler liked to refer to his rule but the guidance of his parents and a slowly growing awareness of the bigotry and brutality of the regime saved him from being wholly taken in by the ever present indoctrination into the ideology of Nazism The book ends with a defense of democracy as a bulwark against unchecked evil in government and with a passionate repudiation of all forms of prejudice and racism Children To A Degree Horst Christian,2013-12-19 A World War Two Historical Fiction Novel Based On A True StoryA true story about a young boy growing up under the Third Reich Karl Veth the eldest of three children was born in Berlin Germany in 1930 By the time he was old enough to start school and begin his education Hitler had established a firm death grip on the country Children were fed a steady diet of Nazi propaganda and were often encouraged to turn on their family and friends however contrary to popular belief not all of them bought into it Karl is an intelligent young boy who strives to excel in his studies but he questions everything Dangerous questions during a time when people are closely monitored Karl s father and grandfather are not blind followers and they have their own opinions about Hitler and his regime The lessons they teach Karl often contradict what he is taught in school yet they also inspire him to think on his own and form his own opinions German law mandates all children must become members of the Hitler Youth and at the age of 10 Karl enters the Jungvolk the junior branch of the Hitler Youth He must wade through the propaganda and everything he is taught to decide for himself what is right and what it wrong Little does he know at the time many of his grandfather s predictions about the future of the Third Reich will eventually come to pass The lessons he learns now and the opinions he forms will determine his fate in dangerous times ahead Books In The Series Children To A DegreeLoyal To A DegreeTrust To A DegreePartners To A Degree **Surviving Hitler: One Boy's True Story** Andrea Warren,2007 **The Boy Who Dared** Susan Campbell Bartoletti,2017-05-30 A Newbery Honor Book author has written a powerful and gripping novel about a youth in Nazi Germany who tells the truth about Hitler Susan Campbell Bartoletti has taken one episode from her Newbery Honor Book Hitler Youth and fleshed it out into thought provoking novel When 16 year old Helmut Hubner listens to the BBC

The Children's War Peter Bodo Gawenda, 2010-11-08 This true story of an innocent boy growing up in Hitler's Germany is a unique memoir highly recommended Midwest Book Review Peter and his brothers saw the war not as military or national history but as the adventure of everyday living They experienced bombs dropping soldiers occupying their home and prisoners of war marching through the streets all of which seemed like mere intrusions into their childhood existence They not only survived but thrived during The Children's War The strength of family ties carried the Gawenda boys through the war and shaped the author's perspective making The Children's War an uplifting reading experience Gawenda draws on his childhood in Germany during WWII to reflect the impact the war had on children Born in the Third Reich under Hitler Gawenda through a child's point of view shares his family's heartbreak joy humor and cunning during their days in Oberglogau before their desperate flight from Russian conquerors to safety in Bavaria
