### OUR BREAK TIME

Teachers play the most important role in the lives of children. They are their mentors who guide them through toughest times, help solve their problems and prepare them for the competitive world by bringing out the best in them. I wish you a happy summer. Eat fresh juice and have a great summer. Finally the holiday is here. I hope you will have a great time with your family.

### OUR TEACHERS

Teaching kids to count is fine, but teaching kids what counts is best" – Bob Talbert

As teachers, we have a lot on our shoulders, and yes, that does mean literally teaching kids their ABCs and their 123s. However, the love and kindness, and compassion we show in the classroom everyday is going a long way too! It helps our students see the kind of people they can grow up to be!
