GENERAL INFORMATION

The information below will assist in completing the application as well as following through with the above mentioned requirements for licensure in the State of Texas.

- It is recommended that a completed Application by NCLEX-RN[®] Examination and fee be submitted to the Board **120 days prior to your graduation date.**
- An incomplete application could delay approval for the authorization to test, GN permit (if applicable), or permanent license.
- The application is not complete until all required documentation and fees are received. An incomplete application will delay final approval of the application. **All documents become a permanent part of your file and will not be returned.** Applications are reviewed in date order received. Be sure to answer all questions honestly. The Texas Board of Nursing may deny your application if you provide false information on your application.
- An application and payment are considered to be active for up to **one year** from the date of receipt in the Board's office per our Records Retention Policy. All licensure requirements must be met within that year's timeframe or the application and payment will be considered null and void. Should this occur, a new application and payment would need to be submitted; and the applicant will need to meet all requirements in effect at that time.
- By signing the application by NCLEX-RN[®] Examination, you are also acknowledging that you have read and understood the Texas Nursing Practice Act (NPA) and the Rules and Regulations that govern licensure in the State of Texas. To obtain a copy of the NPA and the Rules and Regulations, visit the Board web site at www.bon.texas.gov.
- Processing time to be reviewed for an authorization to test (ATT) is within ten business days of the BON receiving the last item to complete an application.
- Applicants are encouraged to check the status of their applications online at <https://www.bon.texas.gov/ohv/app/status.html>
