Dreaming of Angels Cheryl Myers, 2007

Inspirational and uplifting and will take you to the level of understanding the inner workings of the church, especially the church family and the issues they deal with and have to overcome. For anyone who has ever been hurt and questions the love of the church family, this book will be an inspiration to continue the good fight in living for God. In this little book, Cheryl Myers presents an unvarnished description of many instances taken from her own spiritual odyssey that many saints will encounter at one time or another in their walk with God. In her own unique and sometimes frank way, she explains how she was able to always keep the victory and grow in the ways of God while not allowing herself to be overcome by the offenses that others can so often bring to our lives, whether wittingly or unwittingly. Sometimes all of us may find ourselves contending with people and situations within the church as much as with challenges from without. Remember a popular sermon theme: better the stench of the Ark than the floodwaters outside the Ark. And Satan too often works to magnify these problems unduly. The key is to learn to forbear others and pray oneself through such situations while keeping the eye on the greater prize of soul-winning and living a spotless life as one runs the course set before us. Cheryl offers us many worthwhile pointers here for doing such.
