EXPLORING THE LEVELS OF CREATION Have you ever wondered about life and creation Is there existence after death Why do we have to go through such trials and tribulations here on Earth Why do we have thoughts and dreams that run from the sublime to the bizarre Why do goodness and evil go hand in hand in life or do they The answers to these questions and more are brought to light by author and spiritual teacher Sylvia Browne Once again she shares her psychic gifts and years of research in order to enlighten us and give us more insights into God and the realities of life This time she tackles the structure of creation by showing us that there really is purpose and order in our seemingly chaotic world She outlines the levels of physical incarnation along with the reality of the afterlife and the heretofore unexplored lower levels of creation

From the wondrous and weird lower levels to the everyday intricacies of life on this planet to the beautiful and perfect Other Side Sylvia takes us on another journey of exploration and truth This is a book that explains all levels of life as only Sylvia can

The Spiritualist Movement Christopher M. Moreman,2013-08-27 At once controversial and intriguing Spiritualism has spread from the United States to become a global movement Bringing together perspectives from within the movement and without this unique collection treats readers to insights about Spiritualism s history belief and practice Based on the belief that the dead can communicate with the living through mediums Spiritualism touches concepts as timelessly fascinating as human mortality and the continuing existence of the soul beyond bodily death This comprehensive work will help readers parse the mysteries of this uniquely American religion through three thematically organized volumes Spiritualism in the U S and Globally Evidence and Beliefs and Cultural and Social Issues Drawing on fields as diverse as psychology sociology religious studies anthropology history ethnic and gender studies literature and art this broad based collection frames Spiritualism through the views of a team of international scholars Among the many things that separate Spiritualism from mainstream religions is the involvement of women in central leadership roles Such cultural and political elements of the movement are one aspect of this study Of equal interest to believers and skeptics alike will be the work of scholars who have devoted themselves to examining the claim that communication through mediums proves the existence of life after death
