

A romantic couple is shown in a close embrace on a sandy beach. The man, wearing a light-colored shirt, is leaning towards the woman, who has long dark hair and is wearing a dark dress. They are positioned in the center of the frame, with the ocean and a warm, golden sunset in the background. The overall mood is intimate and romantic.

Just Say Yes Strictly Business:

JUST SAY YES! Leanna Wilson, Nei Nowaki, 2018-03-11 It's the day of her wedding and Annie is full of nervous excitement. She's been left at the altar twice before and everyone in town calls her the bride who can't get married. She has to get married this time. As she's shaking off her nerves, she spots the groom outside her dressing room, which puts her mind at ease. Until he tells her he's the groom's twin brother and that her intended has disappeared. Faced with yet another failed wedding, Annie stares at the man in front of her, dumbfounded. Then she realizes no one would be the wiser if she married this brother instead.

Just Say Yes Betina Krahn, 2002-05 A war is brewing in the small village of Culpepper, Maryland, in 1757 a battle between logic and love. Thinker Treasure Barrett has solved the village's problems for years, but when Sterling Reville arrives in town from England to claim his inheritance, she faces her greatest challenge. Originally published as *Passion's Treasure* May.

Just Say Yes Elizabeth Hayley, 2015-12 Signet Eclipse contemporary romance Spine **The Wedding Agreement** Elizabeth Hayley, 2016-05-03 The author of *Just Say Yes* is back with another sweet and sultry *Strictly Business* novel about working hard and falling harder into an unexpected romance. Love doesn't always follow the same schedule. Alex Walker doesn't need a woman in his life. In fact, he doesn't have time for one. Between his career in the FBI and the demands of being a good father, romance is an unwanted distraction. Likewise, Cassidy Mullen is fine on her own. The independent career woman has never had a husband in her plans, forget about kids. But when her friend Alex gets into a bind with his ex over their daughter, Cass finds herself suddenly playing the part of Alex's stable, child-loving fiancée and liking it a lot more than she'd care to admit. Soon Alex and Cass can't deny the real passion growing between them. But as fake affection turns into real love, Cass and Alex will have to make a choice: say "I Do" to their feelings or give up on happily ever after for good. **Say Yes** Katie O'Sullivan, 2016-01-18 Darby Malone has trouble saying no. Hosting a children's Valentine party at her recently renovated gallery is the last straw, and the last time she intends to say yes to anything. That is, until she meets Ben, a well-known Cape Cod artist with eyes as deep and blue as the ocean. He stirs feelings in her that have been dormant for too long. Can she afford to say yes to him? Ben Phillips needs this gallery show. His life has been empty since his wife died four years ago; his paintings are the only thing giving him solace. But his style has changed; his art is completely different than the breezy shore paintings he staked his reputation on. Can he convince Darby to give him a chance and to consider him for more than just a place on her gallery walls? Will she give him a place in her heart as well?
