Just When You Think You Are All Alone:

Lyrics in Search of Music Aaron C. Jones, 2013-05-28 Aaron Jones began writing poetry in the late 1980s. He was inspired by his brother Eddie's band Southern Acoustic to compose his poems in the form of songs so they could be easily adapted to music. Aaron's series of poetry collections is entitled *Lyrics in Search of Music* due to the fact that Eddie could not write music to words already written. Aaron's poetry covers a wide range of topics from the ups and downs of love to taking one step at a time to get one's life back on track. He has created his poetry collection with the hope that at least one poem may have life breathed into it through the pairing of his lyrics with the right music. Each poem is a lyrical feast waiting to be launched by the perfect melody. A unique journey towards mankind's constant search for hope. It closely mirrors emotions that everyone experiences and can easily relate to. The elements of great music lie within these pages waiting to be discovered. Maleah Bagwell LMSW

Deborah J. Aulisa, Antonio Aulisa, 2008-11-01 When Chenille Bowing was just four years old, her father Arthur, a chief judge in Denver, Colorado, was believed to have killed his identical twin brother Austin in a hunting accident. From that day forward, Arthur wasn't the same man. He treated his wife and children with indifference; he became rude, arrogant, and overbearing. It would be years before the family discovered the real truth. The situation becomes more dire years later when Chenille announces that she and her longtime boyfriend Matt Rustin are expecting a child. Arthur despises Matt and refuses to accept the relationship. When the baby is born, Arthur executes the unbelievable: He tells Chenille her baby died at birth and whisks her off to Austria to complete her physician training. Arthur deceives Matt by faking Chenille's death and leaving Matt to raise the child alone. Nine years later, Chenille, a successful neurosurgeon in France, mourns the loss of Matt and her baby each day. But fate intervenes when Chenille meets Ernesto Pallante, who has ties with Cosa Nostra. These men use their worldwide associations to unveil the misdeeds the family has endured. They use their power to deliver their own brand of justice.
