Preventing and Reducing Juvenile Delinquency James C. Howell, 2003-02-24 This book aims to inform students about the latest research and the most promising and effective programs and for understanding preventing and controlling juvenile delinquency The book is geared to preparing students for a career in juvenile justice or related social service systems and becoming research or program development specialists The history of current juvenile justice system policies and practices are examined including the juvenile violence epidemic Key myths about juvenile violence and the ability of the juvenile justice system to handle modern day juvenile delinquents are critically examined Developmental theories of juvenile delinquency are applied to understanding how juvenile offender careers evolve Effective prevention and rehabilitation programs and what does not work are reviewed A comprehensive framework for building a continuum of effective programs is presented in Part III

The Wiley Handbook of What Works in Correctional Rehabilitation Leam A. Craig, Louise Dixon, Theresa A. Gannon, 2024-12-31 Theory assessment and treatment strategies for offenders across forensic populations with practical examples and discussion of often overlooked cultural considerations The Wiley Handbook of What Works in the Rehabilitation of People Who Have Offended comprehensively outlines effective rehabilitation strategies for offenders while acknowledging

the challenges in implementation and discussing ethical considerations potential biases and the need for ongoing evaluation The book introduces the current state of effective practices outlines up to date risk assessment processes for various crime types investigates effective treatments for diverse forensic populations explores treatments for those in prison and mental health settings and examines the often overlooked cultural factors influencing rehabilitation efforts This Second Edition expanded from 25 to 32 chapters has been written by leading researchers seasoned professionals and academics providing a wealth of expertise and diverse perspectives Each chapter offers a well researched and balanced review of existing literature laying a solid foundation for comprehending the effectiveness of various rehabilitation approaches Practical examples enhance the content s applicability emphasizing evidence based practices crucial for accountability and effectiveness in the criminal justice system Some of the sample topics discussed in The Wiley Handbook of What Works in the Rehabilitation of People Who Have Offended include Risk Need and Responsivity principles used in the assessment and triage of offenders and evidence for the Good Lives Model in supporting rehabilitation and desistance from offending Recidivism risk in people convicted of intimate partner violence and treatment of aggressive and problematic adjudicated youth in a secure psychiatric setting Treatment of persons convicted of sexual offenses in the community including online offending Strategies to prevent and reduce gang involvement and rehabilitation of intellectually disabled individuals who have harmful sexual behavior Offering a valuable evidence based coverage in the pursuit of effective rehabilitation strategies the Second Edition of The Wiley Handbook of What Works in the Rehabilitation of People Who Have Offended is an indispensable resource for anyone involved in the criminal justice system including professionals policymakers researchers and students

Judicial Process in America, 9th Edition Robert A. Carp, Ronald Stidham, Kenneth L. Manning, 2014 Known for shedding light on the link between the courts public policy and the political environment the new ninth edition of Judicial Process in America provides a comprehensive overview of the American judiciary Considering the courts from every level the authors thoroughly cover judges lawyers litigants and the variables at play in judicial decision making This remarkably current revision will only solidify the book s position as the standard bearer in the field

Fundamentals of Criminological and Criminal Justice Inquiry Daniel P. Mears, Joshua C. Cochran, 2019-02-14 How to think about conduct and evaluate research is fundamental to the study and understanding of criminology and criminal justice Students take methods statistics theory and topic specific classes but they struggle to integrate what they learn and to see how it fits within the broader field of criminology and criminal justice research This book directly tackles this problem by helping students to develop a researcher sensibility and demonstrates how the nuts and bolts of criminal justice research including research design theory data and analysis are and can be combined Relying on numerous real world examples and illustrations this book reveals how anyone can think like a researcher It reveals too why that ability is critical for being a savvy producer or consumer of criminological and criminal justice research

Searching the Law - The States Francis R Doyle, 2022-11-14 This revised two volume set reproduces the

easy to use logically organized format of Searching the Law for each of the 50 U S states Arranged by state and by topic within each state it features a complete list of all the legal research materials available for each state jurisdiction thousands of citations to the legal literature of each state materials applicable to more than one topic listed under each topic repeated listings under each state and topic where they apply and author title publisher format and the latest known supplement for each citation Searching the Law The States is the companion text to Searching the Law Together the sets form one of the most comprehensive logical legal reference sources available Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052872 **Introduction to Criminal Justice** Donald J. Newman,1975

Introduction to Criminology Pamela J. Schram,Stephen G. Tibbetts,2017-02-13 Introduction to Criminology Why Do They Do It Second Edition by Pamela J Schram Stephen G Tibbetts offers a contemporary and integrated discussion of the key theories that help us understand crime in the 21st century With a focus on why offenders commit crimes this bestseller skillfully engages students with real world cases and examples to help students explore the fundamentals of criminology To better align with how instructors actually teach this course coverage of violent and property crimes has been integrated into the theory chapters so students can clearly understand the application of theory to criminal behavior Unlike other introductory criminology textbooks the Second Edition discusses issues of diversity in each chapter and covers many contemporary topics that are not well represented in other texts such as feminist criminology cybercrime hate crimes white collar crime homeland security and identity theft Transnational comparisons regarding crime rates and the methods other countries use to deal with crime make this edition the most universal to date and a perfect companion for those wanting to learn about criminology in context *Delinquency and Juvenile Justice in American Society* Randall G. Sheldon,Emily I. Troshynski,2019-07-16 What is delinquency What are the pathways to offending What prevention strategies exist To understand delinquency we need to overcome stereotypical thinking and implicit biases This engaging affordable text explores the impact of gendered racial and class attitudes on decisions to arrest detain adjudicate and place youths in the juvenile justice system Sheldon and Troshynski highlight the social legal and political influences on how the public perceives juveniles They look at the influences of family and schools on delinquency as well as the impact of gender trauma and mental health issues Discussions of topics such as the school to prison pipeline disproportionate minority contact and inequality provide a nuanced perspective on delinquency a critical examination of social policies intended to control delinquency and the populations most likely to enter the juvenile justice system The authors also examine the dramatically declining juvenile crime rate and advances in neuroscience that have fostered substantive reforms These alternatives to confinement are replacing the institutions that have repeatedly produced failure with rehabilitative programs that offer hope for a more promising future American Book Publishing Record Cumulative, 1950-1977 R.R. Bowker Company. Department of Bibliography,1978 **Resources in Education** ,2000-04 **California. Court of Appeal (6th Appellate District).**

Records and Briefs California (State)., Received document entitled DECLARATION AND MOTION FOR DISMISSAL OF PETITION FOR WRIT Fundamentals of Criminal Justice Steven Barkan,George J. Bryjak,2011-01-28 The criminal justice system is a key social institution pertinent to the lives of citizens everywhere Fundamentals of Criminal Justice A Sociological View Second Edition provides a unique social context to explore and explain the nature impact and significance of the criminal justice system in everyday life This introductory text examines important sociological issues including class race and gender inequality social control and organizational structure and function Principles and Practice of Forensic Psychiatry. 2Ed Richard Rosner,2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Importan
