Dennis Patrick Slattery

Jung And Ecopsychology The Dairy Farmers Guide To The Universe Vol 1:

Jung and Ecopsychology Dennis L. Merritt, 2012 This volume examines the evolution of the Western dysfunctional relationship with the environment explores the theoretical framework and concepts of Jungian ecopsychology and describes how it could be applied to psychotherapy our educational system and our relationship with indigenous people

The Dream and Its Amplification Nancy Swift Furlotti, Erel Shalit, 2013 The Dream and Its Amplification unveils the language of the psyche that speaks to us in our dreams We all dream at least 4 6 times each night yet remember very few Those that rise to the surface of our conscious awareness beckon to be understood like a letter addressed to us that arrives by post Why would we not open it The difficulty is in understanding what the dream symbols and images mean Through amplification C G Jung formulated a method of unveiling the deeper meaning of symbolic images This becomes particularly important when the image does not carry a personal meaning or significance and is not part of a person's everyday life Fourteen Jungian Analysts from around the world have contributed chapters to this book on areas of special interest to them in their work with dreams This offers the seasoned dream worker as well as the novice great insight into the meaning of the dream and its amplification Contributors to this edition of the Fisher King Review include Erel Shalit Nancy Swift Furlotti Thomas Singer Michael Conforti Ken Kimmel Gotthilf Isler Nancy Qualls Corbett Henry Abramovitch Kathryn Madden Ron Schenk Naomi Ruth Lowinsky Christian Gaillard Monika Wikman and Gilda Frantz

Marked by Fire Patricia Damery, Naomi Ruth Lowinsky, 2012 This life is the way the long sought after way to the unfathomable which we call divine The Red Book Marked by Fire Stories of the Jungian Way is a collection that includes and illuminates the inner life When Soul appeared to C G Jung and demanded he change his life he opened himself to the powerful forces of the unconscious He recorded his inner journey his conversations with figures that appeared to him in vision and in dream in The Red Book Although it would be years before The Red Book was published much of what we now know as Jungian psychology began in those pages when Jung allowed the irrational to assault him That was a century ago How do those of us who dedicate ourselves to Jung's psychology as analysts teachers writers respond to Soul's demands in our own lives If we believe with Jung in the reality of the psyche how does that shape us The articles in Marked By Fire portray direct experiences of the unconscious they tell life stories about the fiery process of becoming ourselves Contributors to this edition of the Fisher King Review include Jerome Bernstein Claire Douglas Gilda Frantz Jacqueline Gerson Jean Kirsch Chie Lee Karlyn Ward Henry Abramovitch Sharon Heath Dennis Patrick Slatterly Robert Romanyszyn Patricia Damery and Naomi Ruth Lowinsky

Creases in Culture Dennis Patrick Slattery, 2014-01-15 This collection of essays written over a period of years entertains the shared place of psyche and poetics Dr Slattery has explored the manner in which the psyche is poetic and how poetry is deeply psycho mythical Influenced in part by the archetypal psychologist James Hillman's idea of the poetic basis of mind that comprises the soul's foundation Slattery's writing moves into the interactive field in which myth is the ground for both psyche and poetry The essays develop

a further understanding of what has been called mythopoiesis the fundamental myth making and shaping capacity of the soul

Collected Works of C. G. Jung, The, vol. 1 Jung, 1983
