Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats

Michael P. Farrell

Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats:

Just War Thinking Eric Patterson, 2007-01-01 Just War Thinking Morality and Pragmatism in the Struggle Against Contemporary Threats reconsiders the intersection between morality and pragmatism in foreign policy and modern warfare Whereas recent explications of Just War theory neglect how twenty first century wars differ from the old wars that Just War doctrine was originally designed for this book argues that a political ethic of responsibility should motivate the contemporary application of military force by states in order to protect international security and human life Just War Thinking criticizes the quasi pacifism of most formal Just War scholarship reconceptualizes a minimal realistic just war thinking framework for exploring foreign and military policy options and evaluates the usefulness of this approach by investigating contemporary cases such as the war on terrorism in Afghanistan and Iraq the call for assassination of political leaders and military humanitarian intervention Finally the book considers new challenges to pragmatic yet moral policies the neglect of jus post bellum justice at war s end the challenge of public opinion democratic processes and supranational institutions to policies based on just war thinking and the erosive power of postmodernism to the normative structures guiding Western decision makers

Just War Thinking Eric Patterson, 2009-01-01 Just War Thinking reconsiders the intersection between morality and pragmatics in foreign policy and modern warfare The book argues that a political ethic of responsibility should motivate the contemporary application of military force by states in order to protect international security and human life considering the challenges posed by today s new wars targeted killing humanitarian intervention terrorism jus post bellum and the influences of public opinion and supranational institutions

Just War Theory and Non-State Actors Eric E. Smith, 2020-03-20 This book uses an historical body of knowledge Just War Theory as the basis for analyzing modern conflicts involving Armed Non State Actors who employ force against states As the global community faces the challenges of globalization terrorism 24 hour international news coverage super power collapse weapons of mass destruction and failed states the author explores whether the historic bodies of knowledge governing decision makers during conflict remain relevant Tracing the evolution of Just War Theory he analyzes circumstances involving Armed Non State Actor ANSA groups possessing powerful and destructive capabilities and a desire to use them and pursues answers to the central research question how does Just War Theory apply in modern scenarios involving ANSA groups who challenge the state and international institution s monopoly on use of force The study finds that Just War Theory still has the capacity to accommodate modern day statecraft and application in scenarios involving Armed Non State Actors This book will be of great interest to those researching and studying in the fields of political theory security studies international relations war and conflict studies and public ethics

America and the Just War Tradition Mark David Hall, J. Daryl Charles, 2019-03-30 America and the Just War Tradition examines and evaluates each of America s major wars from a just war perspective Using moral analysis that is anchored in the just war tradition the contributors provide careful historical analysis evaluating

individual conflicts Each chapter explores the causes of a particular war the degree to which the justice of the conflict was a subject of debate at the time and the extent to which the war measured up to traditional *ad bellum* and *in bello* criteria Where appropriate contributors offer post bellum considerations insofar as justice is concerned with helping to offer a better peace and end result than what had existed prior to the conflict This fascinating exploration offers policy guidance for the use of force in the world today and will be of keen interest to historians political scientists philosophers and theologians as well as policy makers and the general reading public Contributors J Daryl Charles Darrell Cole Timothy J Demy Jonathan H Ebel Laura Jane Gifford Mark David Hall Jonathan Den Hartog Daniel Walker Howe Kerry E Irish James Turner Johnson Gregory R Jones Mackubin Thomas Owens John D Roche and Rouven Steeves **Modern Just War Theory** Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare *Modern Just War Theory A Guide to Research* by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories *Modern Just War Theory* will appeal to students and scholars of theology military history international law and Christian ethics *Just War and Ordered Liberty* Paul D. Miller, 2021-01-07 When is war just What does justice require If we lack a commonly accepted understanding of justice and thus of just war what answers can we find in the intellectual history of just war Miller argues that just war thinking should be understood as unfolding in three traditions the Augustinian the Westphalian and the Liberal each resting on distinct understandings of natural law justice and sovereignty The central ideas of the Augustinian tradition sovereignty as responsibility for the

common good can and should be recovered and worked into the Liberal tradition for which human rights serves the same function In this reconstructed Augustinian Liberal vision the violent disruption of ordered liberty is the injury in response to which force may be used and war may be justly waged Justice requires the vindication and restoration of ordered liberty in through and after warfare The Ashgate Research Companion to Military Ethics James Turner Johnson, Eric D.

Patterson, 2016-03-23 This Companion provides scholars and graduates serving and retired military professionals members of the diplomatic and policy communities concerned with security affairs and legal professionals who deal with military law and with international law on armed conflicts with a comprehensive and authoritative state of the art review of current research in the area of military ethics Topics in this volume reflect both perennial and pressing contemporary issues in the ethics of the use of military force and are written by established professionals and respected commentators Subjects are organized by three major perspectives on the use of military force the decision whether to use military force in a given context the matter of right conduct in the use of such force and ethical responsibilities beyond the end of an armed conflict Treatment of issues in each of these sections takes account of both present day moral challenges and new approaches to these and the historical tradition of just war Military ethics as it has developed has been a particularly Western concern and this volume reflects that reality However in a globalized world awareness of similarities and differences between Western approaches and those of other major cultures is essential For this reason the volume concludes with chapters on ethics and war in the Islamic Chinese and Indian traditions with the aim of integrating reflection on these approaches into the broad consideration of military ethics provided by this volume **The African American Challenge to Just War Theory** R. Cumming, 2015-12-04 In this

innovative treatment of the ethics of war Ryan P Cumming brings classical sources of just war theory into conversation with African American voices The result is a new direction in just war thought that challenges dominant interpretations of just war theory by looking to the perspectives of those on the underside of history and politics **Selling a 'Just' War** M.

Butler, 2012-02-14 Butler sheds light on how American political leaders sell the decision to intervene with military force to the public and how a just war frame is employed in US foreign policy He provides three post Cold War examples of foreign policy crises the Persian Gulf War 1990 91 Kosovo 1999 and Afghanistan 2001 Force Short of War in Modern Conflict

Galliot Jai Galliot, 2019-03-21 Jai Galliot explores the overarching phenomenon of how force short of war is being used in modern conflict and how it impacts just war theory He shows that we need to bring the rules of war into alignment with increasingly digital means of conducting kinetic warfare through the force short of war paradigm The use of force short of war is now commonplace in large part owing to casualty averseness and the explosion of emerging technologies most notably drones autonomous robotics and cyberwarfare It often involves the selective or limited use of military force to achieve political objectives and assumes many forms These include targeted killing assassination special forces raids limited duration bombing campaigns or missile strikes and low intensity counterterrorism and counterinsurgency operations Can War Be

Just In The 21st Century? Winright, Tobias ,Johnston, Laurie,2015-12-01 **Just War and Christian Traditions** Eric Patterson,J. Daryl Charles,2022-12-15 This much needed anthology contains historically informed insights and analysis about Christian just war thinking and its application to contemporary conflicts Recent Christian reflection on war has largely ignored questions of whether and how war can be just The contributors to Just War and Christian Traditions provide a clear overview of the history and parameters of just war thinking and a much needed and original evaluation of how Christian traditions and denominations may employ this thinking today The introduction examines the historical development of Christian just war thinking differences between just war thinking and the alternatives of pacifism and holy war distinctions among Christian thinkers on issues such as the role of the state and lesser evil politics and shared Christian theological commitments with public policy ramifications for example the priority of peace The chapters that follow outline from Catholic Orthodox Lutheran Reformed Anglican Methodist Baptist and Anabaptist denominational perspectives the positions of major church traditions on the ethics of warfare The contributors include philosophers military strategists political scientists and historians who seek to engage various and distinctive denominational approaches to the issues of church and state war peace diplomacy statecraft and security over two thousand years of Christian history Just War and Christian Traditions presents an essential resource for understanding the Judeo Christian roots and denominational frameworks undergirding the moral structure for statesmanship and policy referred to as just war thinking This practical guide will interest students pastors and lay people interested in issues of peace and security military history and military ethics Contributors John Ashcroft Eric Patterson J Daryl Charles Joseph E Capizzi Darrell Cole H David Baer Keith J Pavlischek Daniel Strand Nigel Biggar Mark Tooley and Timothy J Demy *Just American Wars* Eric Patterson,2018-10-11 This book examines the moral choices faced by U S political and military leaders in deciding when and how to employ force from the American Revolution to the present day Specifically the book looks at discrete ethical dilemmas in various American conflicts from a just war perspective For example was the casus belli of the American Revolution just and more specifically was the Continental Congress a legitimate political authority Was it just for Truman to drop the atomic bomb on Japan How much of a role did the egos of Kennedy Johnson and Nixon play in prolonging the Vietnam War Often there are trade offs that civilian and military leaders must take into account such as General Scott s 1847 decision to bombard the city of Veracruz in order to quickly move his troops off the malarial Mexican coast The book also considers the moral significance and policy practicalities of different motives and courses of action The case studies provided highlight the nuances and even limits of just war principles such as just cause right intention legitimate authority last resort likelihood of success discrimination and proportionality and principles for ending war such as order justice and conciliation This book will be of interest for students of just war theory ethics philosophy American history and military history more generally Parameters ,2008 War, Peace, and Violence: Four Christian Views Paul Copan,2022-09-13 In a world of war terrorism and constant threats to global stability how should

Christians honor Jesus Christ Four experts in Christian ethics political philosophy and international affairs present four different views of just war nonviolence Christian realism and church history orienting readers to today's key positions *A Companion to the Spanish Scholastics* Harald Ernst Braun, Erik De Bom, Paolo Astorri, 2021-12-13 This Companion to the Spanish Scholastics offers a much needed survey of the entire field of early modern Spanish scholastic thought The volume introduces main themes and contexts of scholastics inquiry theology philosophy ethics politics economics law science and the senses through close examination of a wide range of texts debates methods and authors as well as in depth discussion of the relevant literature Each chapter includes a useful bibliography and serves as point of departure for future research The volume not only draws the sum of existing research but also challenges established notions and breaks new ground Contributors Fernanda Alfieri Harald Braun Paolo Broggio Alejandro Chafuen Wim Decock Fernando Domínguez Reboiras Thomas Duve Petr Dvořák Giovanni Gellera Juan Manuel Gómez Paris Christophe Grellard Miroslav Hanke Ruth Hill Harro Hopfl Nils Jansen Vincenzo Lavenia Thomas Marschler Fabio Monsalve Thomas Pink Rudolf Schüssler Daniel Schwartz Leen Spruit Toon Van Houdt María Jos Vega and Andreas Wagner See inside the book **War and Religion** Jeffrey M. Shaw Ph.D., Timothy J. Demy, 2017-03-27 This three volume reference provides a complete guide for readers investigating the crucial interplay between war and religion from ancient times until today enabling a deeper understanding of the role of religious wars across cultures Containing some 500 entries covering the interaction between war and religion from ancient times the three volume War and Religion An Encyclopedia of Faith and Conflict provides students with an invaluable reference source for examining two of the most important phenomena impacting society today This all inclusive reference work will serve readers researching specific religious traditions historical eras wars battles or influential individuals across all time periods The A Z entries document ancient events and movements such as the First Crusade that began at the end of the 10th century as well as modern day developments like ISIS and Al Qaeda Subtopics throughout the encyclopedia include religious and military leaders or other key people ideas and weapons and comprehensive examinations of each of the major religious traditions views on war and violence are presented The work also includes dozens of primary source documents each introduced by a headnote that enable readers to go directly to the source of information and better grasp its historical significance The in depth content of this set benefits high school and college students as well as scholars and general readers

Proxy War Ethics: The Norms of Partnering in Great Power Competition C. Anthony Pfaff, 2024-01-15 While proxy relationships can be an effective means international actors use to transfer risk and lower their costs to compete they also enable actors to circumvent international norms as well as create moral hazards that can make the practice self defeating if not simply unethical Applying the framework of the Just War Tradition this book highlights some of these ethical gaps and addresses how proxy relationships introduce additional obligations for both sponsor and proxy The author examines specific examples of how current precedents set a very high bar for accountability and perversely incentivizes sponsors to employ

proxies while discouraging any effort to moderate proxy behavior since that could imply effective control In light of this the book offers policy recommendations on how to best manage these relationships while maintaining certain moral commitments

Justice After War David Chiwon Kwon, 2023-05-12 Justice After War is aimed especially to both undergraduate and graduate students as well as the general audience who want to understand the significance of a recent development within the just war tradition namely the increasing attention given to the category of jus post bellum postwar justice and peace While examining the interrelated challenges of moral and social norms in both political and legal domains as well as church practices this work proposes an innovative methodology for linking theology ethics and social science so that the ideal and the real can inform each other in the ethics of war and peacebuilding The main task of this project then is to identify what the author views as three key themes of jus post bellum and three practices that are essential to implementing jus post bellum immediately after a war just policing just punishment and just political participation David Kwon endeavors to challenge the view of those who suggest that reconciliation mainly political reconciliation is the foremost ambition of jus post bellum Instead he attempts to justify the proposition that achieving just policing just punishment and just political participation are essential to building a just peace a peace in which the fundamental characteristic must be human security It thus demonstrates that human security is an oft neglected theme in the recent discourse of moral theologians and that a more balanced understanding of jus post bellum will direct attention to the elements composing human security in a postwar context

Debating the War of Ideas J. Gallagher, E. Patterson, 2009-12-21 The War of Ideas is about the fundamental principles of human society It is a global war the foes have resorted to arms to protect and promote their worldview This book brings together some of the most important voices from different partisan theoretical and religious perspectives to argue and forecast the next phase in the War of Ideas

Thank you very much for reading **Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats**. Maybe you have knowledge that, people have search numerous times for their chosen readings like this Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats, but end up in infectious downloads.

Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to

copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats Books

1. Where can I buy Just War Thinking Morality And Pragmatism In The Struggle Against Contemporary Threats books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
