Just Courage Gary A. Haugen, 2008-07-05 There must be more to the Christian life than this more than church each Sunday and waving to my neighbors and giving some clothes to Goodwill when I go through my closet each spring These aren't bad things of course But they're safe and comfortable and easy And there's a reason they're not satisfying your desire for something more significant and meaningful we're created by God for adventure International Justice Mission president Gary Haugen has found that engaging in the fight for justice is the most deeply satisfying way of life This book shows how we too can be a part of God's great expedition

You Make Me Brave Bethany Lesch Grubb, 2016-06-27 Jesus's view of women was radical So why does it seem like the Church does not view women the same way Why in so many parts of the world including America are women not encouraged towards their full potential as leaders in the church Are you living with a very palpable tension between your roles of wife mother and career woman You are not alone The secular world attempts to embrace women as equals We are equals in many ways but we are not exactly the same I believe as women we are uniquely created for such a time as this Let us lay aside the damaging judgements that we bring against each other working or not divorced or not single childless many children black brown yellow or white and let us unite Let us come to the table and have conversations about the strong vibrant thriving place the Lord has designed women to live in We are His ezer warriors May we be humble as we allow space for this new kind of conversation May we step boldly into the conversation and even more so as we are propelled into battle I see you warrior woman

The Kingdom of God Christopher W. Morgan, Robert A. Peterson, 2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarbrough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have collaborated to

articulate a full view of the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series Learning Change Jim Herrington, Trisha Taylor, 2019-03-21 How congregations can change into missional fruitful learning communities Jim and Trisha understand that profound change roots in individuals before it transfuses systems Having observed the cycle in themselves as well as in others they shepherd us into the remissioning work of the Holy Spirit Thomas F Tumblin professor of leadership Asbury Theological Seminary In a groundbreaking seven year experience Jim Herrington and Trisha Taylor led a cluster of churches in a process of personal and congregational transformation that is producing hope and health Built on a sound understanding of learning organization theory adaptive leadership family systems theory and recent discoveries in the neurosciences Herrington and Taylor developed and refined a highly fruitful model of church renewal This model begins with personal renewal in which congregations learn how to become learning communities and ends with church wide transformation Learning Change is the pastor and congregational leaders field guide to leading change Each chapter provides training and information an aspect of the learning change model stories of real life experiences in churches and questions and suggestions for taking this information into a congregational context Just Leadership Simon Barrington, Justin Humphreys, 2021-09-16 Read this book and then rethink everything else Danielle Strickland A feast of insight and reflection on what just leadership should look like The Rt Reverend Dr Jonathan Gibbs This book will change the way you lead The Rt Reverend Dr Emma Ineson Bishop of Penrith A book that should be on the shelves of every leader today The Reverend Will van der Hart From MeToo scandals to revelations of spiritual abuse atrocities in the Church we ve watched too many leaders let us down What went wrong for these leaders And more importantly how can we get it right Just Leadership offers advice and guidance to empower leaders everywhere to make a difference and answer the call for a fairer more transparent more equal society Drawing on their combined decades of experience in leadership and safeguarding Justin Humphreys and Simon Barrington explore what it means for a leader to be just and provide practical ways improve your leadership skills and create a just and open environment Across the world there is a heart cry for justice but often the fight is too focused on the wider cause bypassing conversations about individual leaders across our churches organisations charities and communities Just Leadership is for every leader whether you are in Church or other Christian leadership business or professional leadership or even a leader within your local community who wants to build their skills and start leading the way to a better future **The God of New Beginnings** Matt Roberts, Rob Cowles, 2018-12-04 Nearly everyone has someone in their circle of acquaintances who struggles an out of control friend or relative whose habits or relationships are in chaos Is there any hope or is he or she doomed to self destruction Pastors Rob

Cowles and Matt Roberts say God is equal to the challenge New beginnings are possible no matter how broken devastated or crazy someone's life may be Yet today's churches don't do messy very well The Genesis Project is a network of believers whose goal is to plant churches in dark places targeting people who don't normally do church Reaching drug addicts convicts strippers and gang members they've seen God do some amazing things with seemingly hopeless lives The God of New Beginnings tells these dramatic stories offering practical wisdom for breaking through the darkness in a person's life Pursuing real relationships Opening up true stories Pulling together safe communities Getting honest about sin Extending God's forgiveness and freedom Helping people reset their lives and habits Coping with ongoing complications Not giving up when setbacks occur Freely sharing the victories Keeping the faith life simple Love never fails And when we incorporate God's love into our lives and relationships redemption is possible *Spirituality for the Sent* Nathan A. The person of exile may be considered a wanderer a nomad a refugee or a rebel People of exile can be the marginalized the disenfranchised the outcast the left out and the pushed away Different terms are used but what defines them all is separation Exile is a dangerous and dominant theme that runs through Scripture through the lives of the people of Israel and through the universal church Women who have known the sacred place of exile are uniquely qualified to form a women's mission The case is made for a momentum shift in missiological thinking There is a desperate

and aching need for a women's mission which could lead the way to a women's missionary movement. The emergence of such a mission movement is indeed fraught with skepticism and suspicion from many of those inside the church and leaders in the missionary world. But the radical disruptive costly following of Jesus to those outside the camp is our calling. Overrated Eugene Cho, 2014-09-01. It can be fashionable to talk about the poor but not as fashionable to talk to the poor. It may be popular to talk about justice and still not know any victims of injustice. But we will never make poverty history until we make poverty personal. Eugene Cho shatters all our hipster coffee shop talk of justice and dares you to dive into the trenches and do something real with your life. Shane Claiborne, author, activist, and friend of Eugene Cho. A gutsy and gritty exposé on the motives of a generation in love with the idea of saving the world. *Overrated* by Eugene Cho is a necessary exercise for all who desire to truly be a part of the change God wants to bring to humanity. This book is real, personal, necessary, and a must read so we can all continue on the path toward justice for all. Louie Giglio, Passion City Church, Passion Conferences. When you're done talking about the gospel and are ready for your walking to be the gospel. Start here. I needed this book. Ann Voskamp, author of the New York Times bestseller *One Thousand Gifts*. Many people today talk about justice but are they living justly? They want to change the world but are they being changed themselves? Eugene Cho has a confession: I like to talk about changing the world but I don't really like to do what it takes. If this is true of the man who founded the One Day's Wages global antipoverty movement, then what must it take to act on one's ideals? Cho does not doubt the sincerity of those who want to change the world. But he fears that today's wealth of resources and opportunities could be creating the most overrated generation in history. We have access to so much but end up doing so little. He came to see that he too was overrated. As Christians, Cho writes, our calling is not simply to change the world but to be changed ourselves. In *Overrated*, Cho shows that it is possible to move from talk to action. *Religious Responses to Sex Work and Sex Trafficking* Lauren McGrow, 2022-08-01. This book examines the history, theological beliefs, and current contextual practices of faith-based NGOs who work in the area of human trafficking that involves the sex industry. There are hundreds of religious organizations around the globe who minister with human trafficking survivors and sex workers but what is really happening on the ground and how do theological beliefs support a faith-based response? Many of these groups represent their work as a cosmic battle against evil forces yet important structural critiques are ignored in the urgency to rescue women and children. Using perspectives from both NGO staff and sex workers, an interdisciplinary panel of contributors examine specific organizations, highlight marginalized voices, and analyze undergirding methodologies. In doing so, the authors provide clear critiques and establish best practice guidelines for faith-based NGOs and future religious leaders, affirming an intersection of justice based upon critical reflection and careful action. This book addresses with nuance an important topic that is often oversimplified. It will therefore be of great interest to scholars studying the interaction of religion to sex work and human trafficking as well as academics of religious studies and theology more generally. **Good News About Injustice: 10th anniversary edition** G

Amalraj,Geoffrey W. Hahn,2018-01-03 Authors from eighteen countries give us their perspectives on biblical principles and cultural expressions of spirituality particularly as the church engages in God s mission The anthology of texts enriches our understanding of the depth and the meaning of being spiritual and the diversity of forms to live out the Christian faith The issue today is how spirituality should direct and guide a daily life as followers of Jesus in the engagement in the mission of God No doubt that it has to do with our inner life and our relationship to God but it is in showing our love and concern to others that we prove our love to God according to the Apostle John 1 John 4 Mission without spirituality will only be a human effort to convince people of religious theories Spirituality without a missionary involvement of the church will not express God s desire that the transforming gospel reaches every person This book will help you rethink your understanding of what is spiritual revisit your own spiritual journey and appreciate the different forms of spirituality as they are described and performed around the globe **Kingdom Calling** Amy L.
