flung friends phone numbers but I didn't yet know anyone I could just sit and laugh with in a cafe. It hit me how very hard the friendship process is. I'm an outgoing socially comfortable woman with a long line of good friendships behind me. And yet I stood there feeling very lonely. And insecure. And exhausted at just the idea of how far I was from that reality. I knew I couldn't just walk in there and introduce myself to them. Hi. You look like fun. Women, can I join you? I would have been met with stares of pity. No one wants to seem desperate even if we are. We don't have platonic pick-up lines memorized. Flirting for friends seems creepy. Asking for her phone number like we're going to call her up for a Saturday night date is just plain weird. All the batting of my eyelashes wasn't going to send the right signals. And so I turned away from the scene of laughter and walked away. No unfortunately friendships don't just happen. We value belonging. Friendships may not happen automatically but what we crave about them sure seems to. We all want to belong. That need to be connected to others is an inherent desire. We live our entire lives trying to fit in, be known, attract acceptance and experience intimacy. We desperately want to have others care about us. This book is about that hunger. And more pointedly it is about listening to it and learning how to fulfill it.

**Girlfriends Are the Best Friends of All** Suzanne Moore, 2006-01-08. Girlfriends are always there to listen to, talk to, laugh to, cry to, and to just get it no matter what it is. They are the ones who bring you homemade cookies and pints of ice cream when you're feeling down and they let you cry without making you feel guilty. They go shopping with you when you need to escape and they make you believe that you really can't live without that new pair of jeans. They actually listen when you talk for hours about some miniscule problem and they don't get mad if you don't take their advice. The bottom line is that girlfriends are there with whatever you need whenever you need it. With the perfect combination of heartfelt words, warm laughter, and comforting truth, this book pays tribute to the special friendships that girlfriends share. The first section is filled with words of appreciation that will spark memories and love in any girlfriend's heart while the second section offers fun ideas for getting together that will inspire any friend to pick up the phone and make a date with the girls. Whether you buy this book for yourself or for a cherished friend to let her know how much she's loved, this collection is the perfect reminder of all the reasons why girlfriends are the best friends of all. **A Lifetime of Girlfriends** Bonnie Jensen,2004 [The Better Than Best Friend Guide](#) Marty Fletcher,2014-03-14 TO HAVE A REAL FRIEND YOU MUST FIRST BE ONE The purpose of writing The Better Than Best Friend Guide is to help women become better friends to their girlfriends As much as women have progressed in many areas of their lives their career their intimate relationships women seem to have digressed in girlfriend relationships The relationship between girlfriends seems to suffer is sometimes sabotaged and definitely taken for granted As women we all are guilty of it Whether we forgot to call our best girlfriend on her birthday stopped talking because of a man fell out because of gossip No matter what although the intentions might be good at some point and time we have all been very very bad girlfriends So what can we do to mend the relationships that seem to be damaged beyond repair How can we apologize when sorry just doesn't seem like enough How do we communicate effectively with our girlfriends instead of just assuming that she should know how I feel What can we do to show that our girlfriends are just as important as any other relationship in our lives It has been said that girlfriends are there to the end but if that statement has any truth some ends are very short lived The Better Than Best Friend Guide will give pointers on improving strained relationships mending broken relationships and maintaining great girlfriend relationships Along with real life scenarios and humor expect to be highly entertained educated and informed on how to become a better girlfriend to your friends The Better Than Best Friend Guide can be used to strike up honest conversations with your girlfriends What would you do if you caught your girlfriend's man out with another woman Is it okay to share your girlfriend's personal business with your man Do you feel like you are a good girlfriend Would your girlfriend agree with you Well there's only one way to find out the answer to these questions Pull up a comfortable chair and let's talk
