Carol Sweetenham,2020-04-22 The First Crusade was arguably one of the most significant events of the Middle Ages It was the only event to generate its own epic cycle the Old French Crusade Cycle The central trilogy at the heart of the Cycle describes the Crusade from its beginnings to the climactic battle of Ascalon comprising the Chanson d Antioche the Chanson des Ch tifs and the Chanson de J rusalem This translation of the Ch tifs and the J rusalem accompanies and completes the translation of the Antioche and makes the trilogy available to English readers in its entirety for the first time The value of the trilogy lies above all in the insight it gives us to medieval perceptions of the Crusade The events are portrayed as part of a divine plan where even outcasts and captives can achieve salvation through Crusade This in turn underlies the value of the Cycle as a recruiting and propaganda tool The trilogy gives a window onto the chivalric preoccupations of thirteenth century France exploring concerns about status heroism and defeat It portrays the material realities of the era in vivid detail the minutiae of combat smoke filled halls feasts prisons and more And the two newly translated poems are highly entertaining as well featuring a lubricious Saracen lady not in the first flush of youth a dragon inhabited by a devil marauding monkeys miracles and much more The historian will find little new about the Crusade itself but abundant material on how it was perceived portrayed and performed The translation is accompanied by an introduction examining the origins of the two poems and their wider place in the cycle It is supported by extensive footnotes a comprehensive index of names and places and translations of the main variants **Stone Blood Series Books 4 & 5 Box Set** Jayne Faith, This collection includes books 4 and 5 in the bestselling Stone Blood Series by Jayne Faith REIGN OF THE STONE QUEEN Stone Blood Series 4 She must rule a kingdom that is against her Petra Maguire wants to fight for her people not rule them But by Oberon s decree she is now Queen of the new Carraig Sidhe kingdom Problem is many of her subjects would rather see her dead than on the throne As Petra struggles to unite her people she must also join Jasper s quest to kill Finvarra before he can usher in a winter of Unseelie rule in Faerie Torn between responsibilities Petra will have to find a way to embrace her new role as royalty while still staying true to her warrior roots And overshadowing everything is the imminent threat of the angry gods return WAR OF THE FAE GODS Stone Blood Series 5 The Seelie hold on Faerie is slipping and wrathful gods are closing in Petra Maguire newly crowned Queen of the Carraig Sidhe wishes she could focus on her own fledgling kingdom but Faerie is facing threats unlike any seen in generations If the Seelie are to have any hope of victory she must unravel the mystery of the ancient power running through her veins Can Petra harness the magic of the gods before her blood father Periclase takes the Summerlands and an eternal winter to destroy the homeland she loves Stone Blood Series Reading Order Blood of Stone sold separately Stone Blood Legacy sold separately Rise of the Stone Court sold separately Reign of the Stone Queen included in this collection War of the Fae Gods included in this collection The Oldest Changeling in Faerie sold separately *Highway*
