Just Saying Reflections Poetic Musings:

Just Musing Vwede J. Obahor, 2022-06-30 One's environment situation and every person is a story a script or a poem to be captured and shared like has been done in this collection of poems Vwede has put his intellectual reflection succinctly and sometimes elusive words his understanding of the world around him and we have been invited to partake in this elaborate feast of words Who knows what goes on in the mind of a creative writer Who can fathom what led to a recollection captured in thoughts and translated into words some time very clear and yet full of imageries

Soulful Reflections Dr Philip Morphey, 2018-08-30 Words are more than just a bunch of letters They hold immense power to inspire motivate action and evoke a plethora of feelings Words often swirl within our minds triggering ideas sending us into deep contemplation At their worst words can be used to cut down demean or cause suffering but at their best they hold even greater power In his life Dr Philip Morphey has found that words can lift him to great heights give him hope and bolster his spirit On the flipside words can also cause him to retreat to dark corners curl up in the fetal position or teeter on the edge of life itself Soulful Reflections is a mixture of all these emotions written in gritty contemporary style This collection of poetry explores the many facets of lived experience from love and lust to emptiness and loss Morphey does not shy away from difficult emotions rather he plunges into life's complexities and offers readers an emotional respite Through themes of surrender love liberty and death his words offer a release from the craziness of life for those seeking more meaningful navigation

Just Saying... L. Smith-Pratt, 2015-12-18 Just Saying A Short Compilation of Poetry and Musings that will encourage you to Think to Grow and to just sit back and realize how small we are in the whole scheme of things Poetry for those who want to take a deeper look into broken Friendships Feelings and Life

Reflections of a Wyoming Shepherd on the 23rd Psalm Patricia McClafin Booher, 2009-03-20 The Great War was over and families were reunited The McClafin family began life afresh on a homestead in the northern plains of Wyoming clearing off sagebrush and tilling virgin soil Childhood memories of caring for orphan lambs have made an indelible imprint on the stories that have been penned to the pages of this beloved story of courage and endurance The author's lifelong journey of walking with the Heavenly Shepherd of the 23rd Psalm is the spark that kindles the flame of compassion and caring the reader will experience from the stories of family and the love of life The death of a parent is a common experience until that season of life is within your family Layer upon layer circumstances of life hopefully will mold us into persons with a lot of horse sense better known in today's society as common sense and equip us with a great deal of integrity to pass on to future generations Or we can choose to live a life of despair and each of us makes that choice Colliding with a huge snowplow in a brutal storm in the middle of Shirley Basin in the desolate parts of Wyoming would forever change the life of this author The peace and calm of knowing the protection of the Heavenly Shepherd depicted in the 23rd Psalm while waiting for an ambulance coming from a long distance has given the promise of hope and a future Sunrises and sunsets would forever take on a brighter hue thus allowing Patricia the desire and ability to pen much

loved stories of family friends and the Heavenly Shepherd found in this novel *Poems, Quips, and Quotes* Doug Dial, 2010-07-30 *Poems Quips and Quotes* is Doug Dial's second volume of writings. In this book the reader will be enriched, inspired, and entertained. Since life comes to us in quite a random fashion, Doug decided to publish this work in much the same way. At times the reader will be treated to a poem or idea of spiritual content, only to be followed by a simple, silly poem meant to tickle your funny bone. Throughout the book are quotes, quips, and poems of love and loss, and living large, often causing the reader to stop and reflect on the simple things in life. As was true for his first volume, once you pick it up, you won't want to put it down until the last poem has been read. *The Poetry of Victorian Scientists* Daniel Brown, 2013-01-31 The first study of poetry by Victorian scientists, a unique record of the nature and cultures of Victorian science. **The Farmer's Magazine**, 1852 **Be Still, Be Silent** John Mann, 2025-06-16 David Scott was a priest-poet in the tradition of George Herbert, whose quiet faith and pastoral care found profound expression in his poetry. A beloved figure in Winchester where he ministered for many years, David's work resonates with timeless themes of human connection, spiritual depth, and the beauty of the everyday. Prepared in collaboration with David's wife after his passing in 2022, *Be Still Be Silent* offers an inviting introduction to his poetry. Each chapter reflects the tender nostalgia, deep empathy, and faith-filled insight that made David's voice so unique and enduring. With a heartfelt introduction by Malcolm Guite, this volume celebrates David's legacy not only as a poet but as a soul who touched many lives. His words continue to inspire, offering moments of grace, reflection, and a reminder of the sacred in the ordinary. **Reflections from the Top of the World** Gerry Pye, 2024-10-11 Mount Kilimanjaro is the highest free-standing mountain in the world. It can be climbed successfully with minimal technical skill, but the physical and mental challenges are huge. The secret to conquering Mount Kilimanjaro is to just keep going, a maxim that applies equally when facing the trials of life, such as bereavement, heartbreak, and loneliness. Loneliness is perhaps one of the most insidious legacies of the COVID-19 pandemic. People increasingly live alone, work alone, and play alone, disconnected from society through the modern cultures of home working, absolute dependence on smartphones, and the ability to stream television and cinema into their living rooms on demand. These modern factors conspire to break the connections between fellow human beings, and this can render recovering from bereavement, heartbreak, and other life trials especially hard. The enforced isolation of lockdown served to strengthen and normalize human disconnection, which has arguably led to a disturbing deterioration in the nation's mental health. *Reflections from the Top of the World* presents a powerful alternative philosophy of connection, mutual endeavour, and achievement. A philosophy that does not necessarily require individuals to climb the world's largest freestanding mountain, but one that encourages reflection on the root causes of sadness and joy. The ultimate conclusion is a convincing belief that whatever life throws at you, there will always be new happiness to look forward to if you just keep going. Verbal Riddim Christian Habekost, 2022-06-08 This is the first book-length study of dub poetry, the musical talkover that has been an important part of the reggae scene in Canada, Britain, and of course the Caribbean, since the

1970 s Christian Habekost s qualifications for writing such a book are beyond dispute He is a German poet who has been involved with the dub movement since it began and knows most of its leading figures As Ranting Chako he is featured on the LP Dread Poets Society The bibliography indicates that he has interviewed many of the 43 poet performers mentioned often on several occasions Verbal Riddim based on his doctoral dissertation at the University of Mannheim is a successful blend of the performer and the researcher **British Farmer's Magazine** ,1852 *The St. James's Magazine* ,1869 **The Yale Literary Magazine** ,1873 **The Ladies' Repository** ,1854 **Literature and Primary Sources** Tom Bober,Rebecca Newland,2024-01-25 Enrich student engagement and deepen learning with this guide to foolproof techniques and strategies to integrate primary sources and literature to benefit learners from kindergarten through high school Readers of all ages experience literature in a different light when historical context is provided via primary sources Literature meanwhile helps learners to uncover additional layers of meaning inherent in primary sources Guided by best practices developed by the authors over years of working with both students and teachers this book speaks to the countless opportunities for instructors to integrate related primary sources with the literature that students read in school classrooms from historical fiction and poetry to graphic novels **On Strangeness** Margaret Bridges,1990 **Harper's New Monthly Magazine** ,1871

Byron: The Poetry of Politics and the Politics of Poetry Roderick Beaton,Christine Kenyon Jones,2016-07-01 It is no great matter supposing that Italy could be liberated who or what is sacrificed It is a grand object the very poetry of politics Only think a free Italy Why there has been nothing like it since the days of Augustus So wrote Lord Byron in his journal in February 1821 only days before the outbreak of revolution in Greece where three years later he would die in the service of the revolutionary cause For a poet whose life and work are interlaced with action of multiple sorts surprisingly little attention has been devoted to Byron s engagement with issues of politics This volume brings together the work of eminent Byronists from seven European countries and the USA to re assess the evidence What did Byron mean by the poetry of politics Was he in any sense a political animal Can his final fateful involvement in Greece be understood as the culmination of earlier more deeply rooted quests The first part of the book examines the implications of reading and writing as themselves political acts the second interrogates the politics inherent or implied in Byron s poems and plays the third follows the trajectory of his political engagement or non engagement from his abortive early career in the British House of Lords via the Peninsular War in Spain to his involvement in revolutionary politics abroad **Harper's New Monthly Magazine** Henry Mills Alden,Frederick Lewis Allen,Lee Foster Hartman,Thomas Bucklin Wells,1871 Important American periodical dating back to 1850 **Preaching from Inside the Story** Jeffrey W. Frymire,2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific

understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle's foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture. Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out, providing a positive effect thereby affording non-narrative preachers to connect with storytelling principles. Ultimately, it is filled with examples of how to do narrative in a very practical way. However, in showing these practical examples, the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching. In the final analysis, it invites the reader to take a fresh journey into narrative preaching.
