Top Ten Global Justice Law Review Articles 2008

Amos Guiora, 2009 Top Ten Global Justice Law Review Articles 2008 is a thorough and accessible review of the most salient the most controversial and the most illuminating essays on security law in the previous calendar year In this edition Professor Amos Guiora presents the ten most vital and pertinent law review articles from 2008 written by both scholars who

have already gained international prominence as experts in global justice as well as emerging voices in the realm of international criminal law and human rights. These articles deal with issues of terrorism, security law, environmental law, and the preservation of civil liberties in the post 9/11 world. The chosen selections derive not just from the high quality and expertise of the articles' authors but equally from the wide diversity of legal issues addressed by those authors. Guiora combines the expertise of scholars from both eminent law schools and government agencies to provide a valuable resource for scholars and experts researching this important subject area. This annual review provides researchers with more than just an authoritative discussion on the most prominent global justice debates of the day; it also educates researchers on new issues that have received far too little attention in the press and in academia. These expert scholars and leaders tackle and give voice to issues that range from the psychology of terrorism to the role of oil in the Sudanese genocide to the oppression of women in new Arab democracies to transnational environmental cooperation and beyond. Together, the vast knowledge and independent viewpoints represented by these ten authors make this volume a valuable resource for individuals new to the realm of global justice and for advanced researchers with a sophisticated understanding of the field.

Global Battlefields by Walden Bello, 2025-02-01. This absorbing memoir by a legendary public intellectual from the Global South vividly recounts his journey from student activist to a global figure on the international left. It traces Walden Bello's life trajectory from a leader of the movement against the Vietnam War at Princeton to Salvador Allende's Chile, where he provides a startling take on its peaceful road to socialism. His participation in the U.S.-based movement to cut off U.S. assistance to the Marcos dictatorship led to iconic acts of protest using Sesame Street's Miss Piggy and Kermit to depict the Filipino leadership infiltrating a Lincoln Center event as officials greeted Imelda Marcos warmly in English, followed by "We're going to get you bastards" in Filipino as the audience remained oblivious, and a celebrated heist of 6000 pages of confidential documents from the World Bank that were then turned into the best-selling international expose, *Development Debacle: The World Bank in the Philippines*. Bello provides a detailed account and analysis of the anti-dictatorship movement in the Philippines, where the leading National Democratic Front led by the CPP was eventually marginalized following the so-called EDSA Uprising that ousted Ferdinand Marcos Sr. in 1986. He exposes the Reagan administration officials maneuvering that prevented the Left from coming to power and the subsequent CPP runaway purge that triggered his departure from it. Bello became one of the leaders of the global struggle against neoliberalism and its key institutions, the WTO, IMF, and the World Bank. He captures the din and smoke of the historic street battles of the 2000s in Seattle, Prague, Genoa, and Cancun, then gives an engaged intellectual's analysis of the anti-globalization and anti-empire movements. While an elected official in the Philippines Congress, Bello engaged in parliamentary battles over family planning and agrarian reform. The *New Slave Trade* chapter addresses his efforts to assist trapped Filipino

domestic workers He outlines his efforts to make the Philippines steer an independent course between the United States and China In 2015 he resigned from the Philippine Congress in 2015 after 6 years service the only recorded resignation on a matter of principle in the history of the Congress Truly a life well lived with much to offer by way of hope and example
