Justification Reconsidered Rethinking A Pauline Theme

Paul D. Gardner

Justification Reconsidered Rethinking A Pauline Theme:

Justification Reconsidered Stephen Westerholm, 2013-11-14 Much has been written of late about what the apostle Paul really meant when he spoke of justification by faith not the works of the law This short study by Stephen Westerholm carefully examines proposals on the subject by Krister Stendahl E P Sanders Heikki Raisanen N T Wright James D G Dunn and Douglas A Campbell In doing so Westerholm notes weaknesses in traditional understandings that have provoked the more recent proposals but he also points out areas in which the latter fail to do justice to the apostle Readers of this book will gain not only a better grasp of the ongoing theological debate about justification but also a more nuanced overall understanding of Paul

Justification, Volume 2 Michael Horton, 2018-11-27 The second of a two volume project delving into the doctrine of justification Michael Horton seeks not simply to recover a clear message of its role in modern Reformed theology but also to bring a fresh discovery of the gospel in a time when contemporary debates around justification have reignited The doctrine of justification stands at the center of our systematic reflection on the meaning of salvation and grace as well as our piety mission and life together And yet within mainline Protestant and evangelical theology it s often taken for granted or left to gather dust in favor of modern concerns and self renewal Volume 2 embarks on the theologically constructive task of investigating the biblical doctrine of justification in light of contemporary exegesis Taking up the topic from a variety of theological vantage points Horton engages with contemporary debates in biblical especially Pauline scholarship Part 1 draws out The Horizon of Justification from the Old Testament narratives of Adam and Israel Part 2 defines The Achievement of Justification in the blood of Christ and seeks to lay the groundwork for understanding its extent Part 3 focuses on The Gift of Righteousness delving into a clear articulation of what justification means its mechanism and the role of works on the day of judgement Part 4 proposes a way forward for Receiving Justification and understanding faith and justification within the broader framework of union with Christ Engaging and thorough Justification shows that the doctrine of justification finds its most ecumenically significant starting point and proper habitat in unity with Christ where the greatest consensus past and present is to be found among Orthodox Roman Catholic and Protestant theologies

1 Corinthians Paul D. Gardner, 2018-04-03 Concentrate on the biblical author s message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God s Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author s original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes

The Oxford Dictionary of the Christian Church Andrew Louth, 2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the

Christian Church is the indispensable reference work on all aspects of the Christian Church. It contains over 6 500 cross-referenced A-Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology, churches and denominations, patristic scholarship and the Bible to the church calendar and its organization, popes, archbishops, other church leaders, saints and mystics. In this new edition, great efforts have been made to increase and strengthen coverage of non-Anglican denominations, for example non-Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe. In particular, there have been extensive additions with regards to the Christian Church in Asia, Africa, Latin America, North America and Australasia. Significant updates have also been included on topics such as liturgy, Canon Law, recent international developments, non-Anglican missionary activity and the increasingly important area of moral and pastoral theology, among many others. Since its first appearance in 1957, the ODCC has established itself as an essential resource for ordinands, clergy and members of religious orders and an invaluable tool for academics, teachers and students of church history and theology as well as for the general reader.

By Gospel Alone David Menendez, 2018-09-18. The present work pursues an apologetic plea on behalf of the gospel. It would seem to many that the gospel is doing just fine and we need to concentrate on other very pressing and important issues such as missions, evangelism, social justice, moral transformation and change, just to name a few. But it will be our argument that no matter how good it may be with the gospel and how many other pressing issues may exist, the church must continually articulate the gospel as the ever pressing need of the day. And by gospel we mean the doctrine of Christ's perfect God-pleasing life as empowered by the Spirit under the law in order to be the Father's incarnate Lamb of God who takes away sin by his atoning, reconciling death for the justification of sinners by faith alone, without their works, merits or obedience before God. It is the doctrine of faith, grace and Christ alone in order to be thus received and embraced by the lavish, abundant and unconditional loving mercy of the triune God. Furthermore, we want to show that the Gospel provides a very practical framework to live in communion with God and with one another. It is indispensable for living and for living such a life as it is daily delivered by God unto us sinners in the communication and apprehension of the Gospel as undeserved and unconditional yet efficacious and transforming gift.

Covenant and the People of God Jonathan Kaplan, Jennifer M. Rosner, David J. Rudolph, 2023-05-23. *Covenant and the People of God* gathers twenty-four essays from friends and colleagues of Messianic Jewish theologian and New Testament scholar Mark S. Kinzer in honor of his seventieth birthday. The essays are organized around two central themes that have animated Kinzer's work: the nature of the covenant and what it means to be the people of God. The volume includes fascinating discussions of some of the most sensitive areas related to Jewish-Christian dialogue: post-supersessionist interpretation of Scripture and the theological shape of Messianic Judaism. Among the contributors are scholars working in North America, Europe and Israel. They include Gabriele Boccaccini, Douglas A. Campbell, Holly Taylor Coolman, Gavin D. Costa, Jean-Miguel Garrigues, Douglas Harink, Richard Harvey Vered, Hillel Jonathan Kaplan.

A Free Humanity Luciano Lombardi, 2022-05-31 The Trinity Father Son and Holy Spirit has brought us tremendous freedom through the coming of Christ and the empowering Spirit that draws us into relationship In this powerful examination of Paul s letter to the Galatians Luciano Lombardi presents a call for us to lay down our ways of gaining acceptance with God and instead take up our lives in communion with the Father Son and Spirit You will be encouraged to live in the freedom Christ has provided us Don t go another day without learning from the great Apostle Paul about the life we are caught up in Christ

Receptions of Paul during the First Two Centuries František Ábel, 2023-09-05 Receptions of Paul during the First Two Centuries Exploration of the Jewish Matrix of Early Christianity examines the historical context of Paul and the way Paul s Jewish heritage was received Contributors take into consideration the aftermath of the Jewish War and its impact on the development of the Jesus movement and early Christian Jewish relations in the following period The chapters come to the conclusion that after the Jewish War the reception of the authentic Paul was transformed more and more into the tradition about Paul based and established by the second and third generations of Jesus believing Gentiles which perceived Paul as a convert from what is labeled Judaism to the complete opposite of it Christianity

Paul and the Economy of Salvation Brendan SJ Byrne, 2021-08-17 This major contribution to Pauline scholarship by a widely respected New Testament scholar is the culmination of over forty years of teaching on Paul Brendan Byrne demonstrates that topics often discussed in Pauline studies and Christian theology go astray when the significance of the last judgment falls from view Offering a fresh Catholic perspective that engages with centuries of Protestant interpretation this book recaptures the significance of the motif of the last judgment for the interpretation of Paul

Paul's New Perspective Garwood P. Anderson, 2016-09-29 The debate between the Old and New perspectives on Paul has reached a stalemate But what if Paul s own theological perspective developed over time Starting with the teaser that both camps are right but not all the time Garwood Anderson unfolds a new proposal for overcoming the deadlock infusing new energy into the quest for understanding Paul s mind and letters

Renovatio Phil Anderas, 2019-06-17 Much mainstream Luther scholarship and Lutheran theology holds that Martin Luther downplayed denied derided or just plain ignored the holiness without which no one shall see the Lord Heb 12 14 Phil Anderas advances a revisionist thesis from the first inklings of his Augustinian turn c 1514 to his death in 1546 Luther held and taught a robust theology of progressive renewal in holiness carefully calibrated to the sober reality of residual sin and the astonishing gospel of grace in Jesus Christ As it is set forth in the works that embody Luther s most considered judgments c 1535 46 this gospel centered and irreducibly trinitarian dogmatics of real renewal in holiness is Augustinian and evangelical in equal parts As such it commands the regard of theologians who stand in the tradition of the Church s doctor gratiae The argument proceeds in three steps first an exposition of the mature Luther s

dogmatics of sin grace and holiness second an investigation of the roots of this dogmatics in the theology of the 420s Augustine with whom a younger Luther was busily engaged c 1514 16 third an account of the continuities and discontinuities that characterize the development of Luther s theology from its embryonic state in the mid 1510s through the breakthroughs of the 1518 21 period to the settled position of the old Doctor *Paul's Three Paths to Salvation* Gabriele Boccaccini,2020-09-29 We no longer need to separate Paul from Judaism in order to claim his Christianness writes Gabriele Boccaccini nor do we need to separate him from the early Jesus movement in order to state his Jewishness With this guiding principle Boccaccini unpacks the implications of Paul s belonging simultaneously to Judaism and Christianity to arrive at the surprising and provocative conclusion that there are in fact three paths to salvation For Jews adherence to Torah For gentiles good works according to conscience and natural law For all sinners forgiveness through faith in Jesus Christ Paul s Three Paths to Salvation is an attempt to reconcile the many facets of Paul s complex identity while reclaiming him from accusations of intolerance Boccaccini s work in reestablishing Paul as a messenger of God s mercy to sinners is an important contribution to the ongoing conversation about Paul s place in the contemporary pluralistic world *Australian Evangelical Perspectives on Youth Ministry* Ruth Lukabyo,2023-12-06 This book is a unique contribution to the study of children s and youth ministry displaying the rich theological thinking that is developing amongst Australian evangelical scholars Many of the writers have previously presented at the Youthworks House conference which promotes theological reflection for best practice in youth and children s ministry in a community of youth and children s ministers The themes explored in this book are vitally important to pastors seeking to nurture young people as disciples of Jesus Thirteen evangelical scholars answer questions such as How can biblical theology shape a young person s view of themselves What is the biblical definition of church and how does this shape our understanding of intergenerational gatherings family and community How should young Christians interact with the culture around them And how do biblical teachings on sin grace and wisdom provide young people with the resources to live in today s world You will be challenged to reconsider how theology and exegetical study of the Bible can mold your priorities principles and presumptions as you exercise ministry to and with young people **The Letter to the Romans** Douglas J. Moo,2018-11-26 For more than twenty years Douglas Moo s NICNT volume on Romans has been providing pastors students and scholars with profound insight into Paul s most famous letter In this thorough revision of his commentary Moo deals with issues that have come into prominence since the first edition 1996 incorporating the latest research and rewriting the text throughout for better comprehension Exegetically astute and theologically minded Moo interacts critically with the new perspective on Paul highlights the emphasis in Romans on practical divinity and traces the theme of the gospel throughout the letter His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers **Paul Perceived** Karl Olav Sandnes,2018-09-25 An epicenter in present day Pauline scholarship is the issue of the Law The interpretation of this contentious issue started before Paul s letters and found its way

into them by his citing how others perceived of his theology and in Paul rendering rumors and criticism and also interacting with them To this reception oriented perspective belong also punitive actions taken against Paul by synagogues As a reception of Paul Acts is included leaving a more complex picture than argued by advocates of Paul within Judaism Thus Karl Olav Sandnes uncovers the first interpretation or reception of Paul s view on Torah It is limited in its scope but provides a critical and necessary view on common trends in Pauline scholarship Paul s decentering of the Torah was considered endangering for morality for Jews and Gentiles alike Perceptions of Paul s theology must be accounted for in Pauline studies

Paul's Designations of God in Romans Wing Yi Au,2023-08-03 Wing Yi Au investigates Paul s ways of characterizing God in Romans and finds that Paul s divine designations in the letter trace God s essential salvific activities Meanwhile special emphasis is put on the inclusion of Gentiles in God s plan of salvation

Habakkuk (ITC) Steven J. Duby,2025-01-09 Steven J Duby provides a close verse by verse exegesis of the book of Habakkuk setting forth the important literary and historical considerations with a view to their bearing on the theological content of the text Duby shows how Habakkuk fits within and contributes to the larger mosaic of God s self revelation in redemptive history and reflects on how this intersects with important points of Christian doctrine The work incorporates key concepts and doctrinal insights from the church s dogmatic tradition showing how they in turn can shed light on the scriptural text The commentary includes excurses for example on the doctrine of justification elaborating on how Habakkuk s message can inform biblical exegesis and Christian theology today

Contemporary Theology: An Introduction, Revised Edition Kirk R. MacGregor,2020-07-28 Accessible and comprehensive Contemporary Theology An Introduction by professor and author Kirk R MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing Unique among introductions to contemporary theology MacGregor includes Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life Contemporary Theology An Introduction is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well organized and easy to follow manner

Explorations in Interdisciplinary Reading Robbie F. Castleman,Darian R. Lockett,Stephen O. Presley,2017-05-31 The tension between reading Scripture as primarily a historically situated text on one hand and binding canon addressed to a community of faith on the other constitutes a crucial issue for biblical interpretation Considering the ways the disciplines of Biblical Studies Biblical Theology Patristics and Systematic Theology approach Scripture and biblical interpretation the Biblical Theology Hermeneutics and Theological Disciplines study group within the Institute of Biblical Research established a four year project aimed at clarifying the relationships between these diverse lines of inquiry into scriptural interpretation found in each of these disciplines The goal of this project was to foster a sustained discussion where exploratory papers might be proposed

composed and rewritten for final form using a collaborative process This research project and the present volume resulting from it offers valuable insights into the integration of Biblical Studies and Theology as subdisciplines within the academy The essays collected here fall naturally into the following sections Exegetical Explorations Reception Historical Explorations and finally Theological Practical Explorations **Romans** Frank S. Thielman, 2018-11-20 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes
