their impact on income They provide regular cash transfers in combination with economic programmes to boost growth and production particularly to increase the productivity and build infrastructure The Productive Safety Net Programme PSNP of the Ethiopian Government is one of the most successful interventions to date Finally trade and competition policy together with stronger regional integration are essential to ensure that the benefits of growth are equitably distributed to those who need it most F&S Index International Annual ,1999 **Integrated Crop Management** ,2013 **Small Farm Today** ,2001 Moody's Industrial Manual ,1996 Covering New York American regional stock exchanges international companies
