IMPORTANT SAFETY NOTICE

Safe operation depends upon reliable equipment and proper operating procedures. Performing the checks and services described in this manual will help to keep your Gradall® Material Handler in reliable condition and use of the recommended operating procedures can help you avoid accidents. Because some procedures may be new to even the experienced operator we recommend that this manual be read, understood and followed by all who operate the unit.

Great attention to, and compliance with instructions provided in this manual, the OSHA Rough Terrain Forklift Safety Manual, the Gradall Material Handler Safety Manual, as well as instructional decals and plates affixed to the machine, will help you avoid personal injury and damage to the equipment. The information provided is not intended to cover all situations; it would be impossible to anticipate and evaluate all possible applications and methods of operation for this equipment.

Any procedure not specifically recommended by The Gradall Company must be thoroughly evaluated from the standpoint of safety before it is placed in practice. If you aren't sure, contact your Gradall Material Handler Distributor before operating.

Do not modify this machine without written permission from The Gradall Company. Use only genuine Gradall replacement parts.
