A Guide to Practicum and Internship for School Counselors-in-Training Joel F. Diambra, 2011-01-19 School counseling is a rather specialized field yet students entering it do not have a single comprehensive resource to guide them through the process This text covers all aspects of the practicum and internship experience from the initial contact with your supervisor to detailed descriptions of

each of the different roles you will have and will help you gain an understanding of the school culture and how to begin thinking about and developing your own philosophy of school counseling. Specific topics covered include popular counseling theories used by school counselors working with special populations of students, application of the ASCA ethical standards, the administration of day to day tasks such as arranging an office space and managing your time, and elements of the guidance curriculum including individual student planning, responsive services, and systemic support. Each chapter contains activities, case studies, hypothetical situations, and worksheets designed to facilitate your understanding of and role in the profession. All material presented is consistent with both the CACREP accreditation standards and the American School Counseling Association's National Model.

School Counseling Classroom Guidance Jolie Ziomek-Daigle, 2015-08-10
 Intended for school counselors to aid in the learning of developmental classroom guidance. School Counseling Classroom Guidance: Prevention, Accountability, and Outcomes by Jolie Ziomek-Daigle teaches the fundamentals, strategies, and research outcomes of classroom guidance programming for comprehensive developmentally appropriate school counseling programs. The content of this book looks at the history and fundamentals of classroom guidance, how these activities meet CACREP and ASCA standards, how and why activities should be aligned to the larger academic curriculum, and state and national teaching standards recommendations on how to develop and assess classroom guidance units, a sampling of units and lessons, techniques in managing the classroom, and outcome research and trends. School Counseling Classroom Guidance: Prevention, Accountability, and Outcomes is part of the Counseling and Professional Identity Series, which targets specific competencies identified by CACREP. Council for Accreditation of Counseling and Related Programs. To learn more about each text in the Series, please visit www.sagepub.com/vip/cpseries.

Resources in Education, 1999-10
The New Handbook of Counseling Supervision L. DiAnne Borders, Lori L. Brown, 2022-04-25
 The classic edition of this groundbreaking book includes a new preface from the authors discussing developments in the field since the handbook's initial publication. Chapters provide an overview of best principles and best practices in the counseling supervision process, one that is firmly rooted in the recent explosion of empirical research in this field. Sponsored by the Association for Counselor Education and Supervision (ACES), the book is targeted primarily at master's level practitioners who want practical how-to applications of the research literature rather than a comprehensive review of the supervision literature. It's also a useful supplement for more academic texts used for doctoral level instruction in counseling supervision.
