Correspondence of Major General Emory Upton, Vol. 1, 1857-1875 Salvatore Cilella, 2024-01-12 Emory Upton 1839-1881 was thrust into the Civil War immediately upon graduation from the United States Military Academy at West Point in May of 1861. He was wounded three times during the war. He participated in nearly every major battle in the Eastern Theater including Fredericksburg, Gettysburg, and Spotsylvania where he led a prominent attack on entrenched Confederate positions, a signal of Upton's brilliance as an officer and of his military creativity that foreshadowed his later work in revising the Army's tactics. Upton was mustered out of service in 1866 and later named commandant of cadets at West Point, a position that carved a path for Upton to focus more on Army tactics and reforms. Until now, the only lenses through which scholars could study Upton were two biographies published nearly a century apart but practically identical in scope and treatment. The two-volume Correspondence of Major General Emory Upton follows Upton through his enrollment at West Point to his extensive Army activities following the Civil War and contains the bulk of his wartime correspondence. Volume one with Upton's Civil War correspondence encompasses both larger battle details and day-to-day activities in the life of a soldier. His letters reveal a mercurial individual, a humorous person used to suffering and rejoicing who could be flawed and brilliant, vain and humble. These selected letters and reports, expertly annotated and gathered from repositories across the country, present a more complex human Emory Upton. He is both the clean, pure, and spotless individual of biographies and the ambitious yet flawed Army officer obsessed with his career. These volumes explore his trials and frustrations as well as his triumphs. Salvatore G. Cilella Jr. now retired, was president of the Atlanta Historical Society. He is the author of Upton's Regulars: The 121st New York Infantry in the American Civil War and Fund Raising for Small Museums in Good Times and Bad.

Disenchantment () Vol. I: Fracture (1980-1983) By Zhang Kangkang, 2025-09-18 This is a book about memory and forgetting. The 1980s grow increasingly distant, occasionally returning with wind and snow but transformed to dust or drizzle or wavering, suspended in the tainted air like a deathless specter. That decade, marking the end of our youth, has the desolate beauty of an elegy ushering in our middle age; it has the

solemn and stirring quality of a processional Gravity has smashed the past into fragments that only words can laboriously piece together While knowing that it is merely a pointless addendum a futile reboot a belated tribute I have stubbornly attempted to look back and write this book Luo Yi once said History is essentially a court that is constantly in retrial One person s biased and narrow memories are trivial against the grand and stirring historical narrative written by the victors But I ve always forgotten what should be remembered and remembered what should be forgotten The opus magnum of a writer who has experienced the whole period of the communist regime in China Disenchantment is filled with scenes and stories oozing authenticity Michel Bonnin The author deconstructs the enchantment of ideology and reveals the brutal political violence of this period through the backgrounds and stories of her characters Su Xiaokang A stellar contribution to Chinese literature and the understanding of contemporary Chinese history Michael Duke A courageous and important work which deserves to be published in the Chinese speaking world and beyond Richard King An epic of an extraordinary age of great transformations and convulsions Bernadette Y Li A Chinese version of Doctor Zhivago David Rong **Florian's Husband** Florian Barbara Gunn,2022-04-29 Reprint of the original first published in 1863 Letters of St. Therese of Lisieux, Volume II St. Therese of Lisieux,2014-09-29 This sequel to volume 1 contains all of Th r se s letters from the end of September 1890 during her novitiate until her death in 1897 as well as many letters written to or about her Here the mature Saint Th r se shows the path of her growth as a religious and as a deep spiritual writer The reader learns much about all of her correspondents including her two missionary brothers and gains familiarity with the development of her thought and message Fifty pages of complementary documents give us useful tools for studying the texts This work has been translated from the critical edition by John Clarke OCD The ebook includes 4 pages of facsimiles of Th r se s letters plus a fully linked general and biblical index **Ruby (Dakotah Treasures Book #1)** Lauraine Snelling,2003-08-01 A New Dakotah Territory Saga From Bestselling Author Lauraine Snelling Book 1 of Dakotah Treasures Author Lauraine Snelling once again takes readers west to the untamed land of Dakota Territory introducing new characters both unique and appealing Ruby Torvald and her young sister Opal have received an inheritance from their long lost father who left home years ago to seek his fortune in the Black Hills When they leave their comfortable situation in Chicago and arrive at the mining town of Medora to claim their inheritance the sisters discover that rather than the legacy of gold they expected their father has left them a shocking bequest Ruby s bold determination in the face of scandal leads the reader on a journey both heartwarming and inspiring **The Palliser Novels: Book 1-6** Anthony Trollope,2023-11-16 Anthony Trollope s The Palliser Novels Book 1 6 presents a rich tapestry of Victorian social and political life intricately weaving the personal ambitions and ethical dilemmas of its characters through the narrative With his hallmark realism and keen psychological insight Trollope meticulously explores themes of power ambition marriage and class within the framework of British parliamentary politics This series introduces the astute politician Plantagenet Palliser and his relationships revealing the intricate interplay between personal
