Magic In The Margins A Medieval Tale Of Bookmaking:

Magic in the Margins W. Nikola-Lisa, 2007 A young apprentice learns to tap his own wellspring of creativity with the help of the magical margins of an illuminated manuscript in this story about patience talent and imagination Full color The Ink Garden of Brother Theophane C.M. Millen, 2010-07-01 Winner of the 2011 Lee Bennett Hopkins Poetry Award In a monastery in the mountains of Mourne during the Middle Ages one young monk struggled to focus on his task copying the Bible and other scholarly books with plain brown ink made from wood bark in plain brown books in his plain brown robe at his plain brown desk Brother Theophane was soon transferred from the scribe's room and assigned to make the ink that the brothers used With his natural curiosity Theophane discovered that inks could be made from other plants besides the wood bark Berries and leaves produced other beautiful colors And soon the books the monks made were illuminated with colors and drawings C M Millen's charming story of a young monk who defied the discipline of the monastery and found his own way to express the beauty of the world will inspire young readers to explore their own world and find their own voices Andrea Wisniewski's illustrations inspired by the illuminated letters that the medieval monks created in books like the Book of Kells bring to life the colors and beauty that surrounded Brother Theophane amidst the plain world of the monastery A Picture Book Primer Denise I. Matulka, 2008-09-30 Everything you want to know about picture books can be found in this simple and straightforward guide After defining the picture book and describing its history and technological evolution the author helps you better understand and appreciate picture books by describing how they're made their anatomy types of illustration layouts design elements and typography various types of picture books genres formats styles how picture books work the art of the story and how they relate to child development and literacy Picture book reviews building a collection using picture books with various age groups and issues such as multicultural literature classics and controversial titles are some of the other topics covered Storytimes for Children Stephanie G. Bauman, 2010-11-10 This text presents a compilation of the best of ideas from a group of library science graduate students providing creative and engaging programs geared especially for children ages 0-12 What are the concepts activities and topics that will hold the attention of today's children And what are the best ways to provide a valuable learning experience while they're having fun and being entertained Many of the most original creative and wildly effective ideas in storytime are contained in Storytimes for Children a collection of fresh and vibrant programs created to be relevant interesting and fun for today's youngest generations This collection of themed storytimes includes suggestions for opening and closing sessions crafts and activities songs poems fingerplays and movements as well as the accompanying literature Several of the included storytimes comprise a series of programs allowing for related activities that build upon each other The text is organized into six chapters each prefaced by an introduction that clarifies the strengths of the programs within Each chapter covers a highly targeted age range to give practitioners the ability to easily choose the most appropriate storytimes for any given audience The Horn Book Guide to Children's and
