The path is illuminated by a bright, circular glow of sunlight filtering through the trees ahead of her. The surrounding foliage is lush and green, with dappled sunlight on the ground.

Habits of Grace David Mathis,2016

Becoming an Intentional Woman of God Nancy Wheat,2021-03-19 Why write a book about intentional women you ask I have spent many hours listening to tearful frustrated and discouraged preacher s wives pour their hearts out Women who honestly want to serve God but have such a load on their shoulders they feel immobilized These women bear a burden of unrealistic and even unbiblical expectations I want this book to be one that will help lift that load I hope to present a biblical expectation I want to honor and praise these sisters for the hard role they fill so very well Then having been a preacher s wife for over thirty years I hope to add some tips stories and advice that will

help them to be God's person in their unique spot. The struggle to find how God wants us to fit in the kingdom does not just occur with preacher's wives; however, I find that many women don't know what God has gifted them to do. So this book is for all Christian women. I pray all women will find things in this book to enable them to shine for Jesus. I hope to talk about how we can strengthen ourselves spiritually so that we can take Satan on in life's spiritual battle. I will cover topics such as spiritual nutrition, marriage, parenting, mission work, hospitality, and how to remain content. I have also asked many female leaders to share with me their advice, their heartaches, their victories, and their heroines' stories. These are women whose walk I admire and try to emulate, not perfect women but ones who know that the power is God's and that whatever we do, we do only because He enables us. I pray that women will leave the reading of this book better prepared to keep on keeping on. I hope to do what Hebrews 10:24 tells us to: Let us consider how to stir up one another to love and good works. My prayer is that this book will help us all be the women God intended us to be. Becoming this woman doesn't just happen. We won't drift into being godly women. It has to be intentional. And so I give you this book of what I have gleaned from 60 years of living the wisdom of my heroines of faith and most importantly, God's precious love letter to us in His word. There can be no better manual for the intentional Christian woman.

Living a Life of Balance Women of Faith, 2005-06-18. Living a life of balance is easier said than done. We try so hard to be everywhere at once, to be all things to all people, to our husbands, to our jobs, but before we know it, we're completely worn out, and a life of balance seems virtually impossible. *Living a Life of Balance* will encourage women to slow down and take a closer look at how they are living their life. It will offer the guidance, hope, and rest women are searching for in their busy lives. Reaching an audience across racial, socio-economic, denominational, and age boundaries, these guides will enhance the lives of women as they empower them in their weekly devotions. The study guides can be used for both individual and group settings. Women are asking good questions about their faith. With our study guides, we want to join them in their quest for knowledge and lead them in finding the answers they are seeking.

Intimate Faith Jan Winebrenner, 2009-09-26. Scripture provides insight into additional disciplines, 17 in all, and each is essential for strong spiritual development. This book introduces these disciplines and provides biblical proofs as well as present-day illustrations to show how God uses them to increase our capacity for enjoying Him.

A Woman's Guide to Personal Discipline Rhonda Kelley, 2003. This interactive Bible study guides readers through the Scriptures to deepen the spiritual disciplines of self-control and perseverance.

These resources, which include an introductory guide, have been developed to help churches explore the habits in a range of contexts and live them out in whole-life missional discipleship.
