Geopolitics of Sport in East Asia William Kelly, J.A. Mangan, 2015-09-07 The global geopolitics of sport is being transformed in and by East Asia Sport in recent decades has been avidly embraced by East Asian nations with implications both for their image on the international stage and their domestic national identities The three post war East Asian Olympic Games the glittering Guangzhou Asian Games in 2010 and the march of Asia into the global sport market illustrate the fact that a new global sports order has emerged This collection uniquely discerns the tectonic shift of global power in the geopolitical economic cultural and social dynamics of sport from West to East It also reveals that the global empire of commerce is similarly shifting eastwards The chapters written by leading authorities on East Asia widen the focus advances the knowledge and sharpens the appreciation of both global sport and regional current transformation in the making and in doing so contributes to an understanding of profound changes in global sport This book was originally published as a special issue of The International Journal of the History of Sport

Reasons to Watch the NBA Daniel Ramos, **The Politics and Culture of Modern Sports** Sheldon Anderson, 2015-12-15 This study examines the role of modern sports in

constructing national identities and the way leaders have exploited sports to achieve domestic and foreign policy goals The book focuses on the development of national sporting cultures in Great Britain and the United States the particular processes by which the rest of Europe and the world adopted or rejected their games and the impact of sports on domestic politics and foreign affairs Teams competing in international sporting events provide people a shared national experience and a means to differentiate us from them Particular attention is paid to the transnational influences on the construction of sporting communities and why some areas resisted dominant sporting cultures while others adopted them and changed them to fit their particular political or societal needs A recurrent theme of the book is that as much as they try politicians have been frustrated in their attempts to achieve political ends through sport The book provides a basis for understanding the political economic social and diplomatic contexts in which these games were played and to present issues that spur further discussion and research

Finding Time Heather Boushey, 2016-04-19 Employers demand more of employees time while leaving the important things in life health family for workers to take care of on their own time and dime How can workers get ahead while making sure their families don't fall behind Heather Boushey shows in detail that economic efficiency and equity do not have to be enemies

Linpired Mike Yorkey, Jesse Florea, 2013-02-12 No athletic scholarships ignored by the NBA draft waived by team after team yet Jeremy Lin remained positive and never doubted God's plan Finally picked up by the New York Knicks a teammate's injury placed Lin on the court after weeks on the bench Since then Lin has captivated the sports world with his incredible basketball skills as a New York Knick and now a Houston Rocket This is his remarkable story

Intersecting Realities Hak Joon Lee, 2018-11-13 Experiencing racial marginalization in society and pressures for success in family Asian American Christian young adults must negotiate being socially underpowered culturally dissonant and politically marginal To avoid misunderstandings and conflicts within and without their communities more often than not they hide their true thoughts and emotions and hesitate to engage in authentic conversations outside their very close knit circle of friends In addition these young adults might not find their church or Christian fellowship to be a safe and hospitable place to openly struggle with all of these sorts of questions all the while lacking adequate vocabulary or resources to organize their thoughts This book responds to these spiritual moral struggles of Asian American young people by theologically addressing the issues that most intimately and immediately affect Asian American youths sense of identity God race family sex gender friendship money vocation the model minority myth and community uniquely and consistently from the contexts of Asian American young adult life Its goal is to help young Asian Americans develop a healthy balanced organic sense of identity grounded in a fresh and deeper understanding of the Christian faith
