## **Making The Church Work Converting The Church For The 21st Century:**

*Making the Church Work* Edward H. Hammett, 1997      **Reframing Spiritual Formation** Edward H. Hammett, 2002  
Reframing Spiritual Formation takes seriously the realities of an increasingly secular pluralistic and spiritually thirsty population base most churches face with fear yet are called to reach and disciple Hammett provides succinct overviews of the challenges and opportunities these realities bring to the doors of churches and their leaders His primary focus is on facilitative questions and practical ideas for discipling the church and the unchurched who are seeking grounding and meaning in this rapidly changing world      **The Hidden Lives of Congregations** Israel Galindo, 2004-11-30 Faced with crisis lack of direction or just plain stuckness many congregations and their leaders are content to deal only with surface issues and symptoms only to discover that the same problems keep recurring often in different and more serious ways In *The Hidden Lives of Congregations* Christian educator and consultant Israel Galindo takes leaders below the surface of congregational life to provide a comprehensive holistic look at the corporate nature of church relationships and the invisible dynamics at play Informed by family systems theory and grounded in a wide ranging ecclesiological understanding Galindo unpacks clearly the factors of congregational lifespan size spirituality and identity and shows how these work together to form the congregation's hidden life He provides useful tools for diagnosing and understanding how one's congregation fits into the various categories he names and suggests what leadership skills are necessary to get beyond the impasse of surface issues and help the congregation achieve its mission *The Hidden Lives of Congregations* provides one of the most far reaching looks into the invisible nature of faith communities written in recent years For seminaries and divinity schools it provides a standard text for getting a solid start in congregational practices for experienced pastors it provides support for renewing ministry for lay leaders and committees it offers insight to deepening mutual ministry Israel Galindo has written an indispensable manual that leaders will return to repeatedly for new wisdom and guidance      *Spiritual Leadership in a Secular Age* Edward H Hammett, 2013-05-09      **Reaching People under 30 while Keeping People over 60** Edward H Hammett, 2015-11-10 Seasoned church consultant Edward H Hammett shares his latest insights and suggestions for churches seeking to serve all generations This is an updated version of Hammett's 2007 book *Reaching People Under 40 while Keeping People Over 60* that expands the reach another decade and emphasizes diversity with insight from new contributors Paul L Anderson and Cornell Thomas A TCP Books title      **Planting Growing Churches for the 21st Century** Aubrey Malphurs, 2004-10-01 If the church is to thrive in the twenty first century it will have to take on a new form as it ministers to the 120 million unchurched people in the United States *Planting Growing Churches for the 21st Century* is still virtually the only available text on church planting in North America and beyond In this third edition readers will find material on the importance of healthy biblical change in our churches updated appendixes insight on our postmodern ministry context and strategies for reaching new population demographics such as Generations X and Y Pastors ministry

leaders and church planters will find the information and advice found in this book invaluable as they carry out their ministries

**Preparing the 21st Century Church** Leslie H. Brickman, 2002-10 Reaching People Under 40 while Keeping People over 60 Edward H Hammett, 2007-02-01 Many established churches are facing a number of challenges in today's increasingly secular culture. Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group. So many are asking: How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values? If a church is interested in growing, this situation becomes a major challenge. *Reaching People under 40 while Keeping People over 60* looks at the church as it seeks to function in a new world. It looks at the differences in the generations and at postmodernism not just a generational difference but a global change. Most importantly, *Reaching People under 40 while Keeping People over 60* looks at what a church can do in this new age to help the church survive and thrive. Foreword by Bill Easum. A TCP Leadership Series title. *Our Theological Journey: Writings in honor of Dr. Anna May Say Pa*, 2006. Contributed articles on Christianity in Burma. *From Meetinghouse to Megachurch* Anne C. Loveland, Otis B. Wheeler, 2003. Table of contents. *The Next Gen Church* Larry A. McMillan, 2018-07-06. The writing of this took place in the midst of joys and burdens, sickness and excitement. It took place in the midst of urban flirting within churches in places like Jamaica, Germany, Las Vegas, Lake Mead, Switzerland, France, our cabin in the Poconos, Pennsylvania, Churchville, Maryland, at our parents' home in Lake Waccamaw, North Carolina, and Hallsboro, North Carolina. Hampton Ministers Conference in Hampton, Virginia, and along the seashores of Myrtle Beach, South Carolina. But now it is yours and prayerfully to the glory of God, ready to give a blessing to the reader. Again, I am thankful for Mrs. McMillan's patience and gentle encouragement, all of which I needed for I am a man who spread on lots of words on a table and needed someone to sort them out and present them as I intended. *Making Your Church a Place to Serve* Don Waddell, 2001.

*Creating Church Online* Tim Hutchings, 2017-04-21. Online churches are internet-based Christian communities pursuing worship, discussion, friendship, support, proselytization, and other key religious goals through computer-mediated communication. Hundreds of thousands of people are now involved with online congregations, generating new kinds of ritual, leadership, and community, and new networks of global influence. *Creating Church Online* constructs a rich ethnographic account of the diverse cultures of online churches, from virtual worlds to video streams. This book also outlines the history of online churchgoing from its origins in the 1980s to the present day and traces the major themes of academic and Christian debate around this topic. Applying some of the leading current theories in the study of religion, media, and culture to this data, Tim Hutchings proposes a new model of religious design in contexts of mediatization and draws attention to digital networks, transformative third spaces, and terrains of existential vulnerability. *Creating Church Online* advances our understanding of the significance and impact of digital media in the religious and social lives of its users in search of new theoretical

frameworks for digital religion      **Global Pentecostalism in the 21st Century** Robert W. Hefner, 2013-10-02 This state of the field overview of Pentecostalism around the world focuses on cultural developments among second and third generation adherents in regions with large Pentecostal communities considering the impact of these developments on political participation citizenship gender relations and economic morality Leading scholars from anthropology sociology religious studies and history present useful introductions to global issues and country specific studies drawn from Latin America Africa Asia and the former USSR      Globalization and Its Effects on Urban Ministry in the 21st Century: Susan S. Baker, 2009-06-01 When we think about globalization with the eyes and heart of a sovereign mission God we must recognize the vast opportunities before us as God is moving His people around the world bringing the gospel with them in new and different ways Globalization and Its Effects on Urban Ministry in the 21st Century is an attempt to broaden the views of individuals and institutions alike to what God is doing around the world and how He is accomplishing His purposes through globalization The book is organized around the four overarching themes of globalization reconciliation church planting and leadership development      *Discovering the Mission of God* Mike Barnett, Robin Martin, 2012-07-03 Written by a team of 21st century scholar practitioners Discovering the Mission of God explores the mission of God as presented in the Bible expressed throughout church history and in cutting edge best practices being used around the world today      Pentecostals in the 21st Century Corneliu Constantineanu, Christopher James Scobie, 2018-01-11 A little over one hundred years ago the Holy Spirit breathed a fresh awakening into little communities in Topeka Kansas 1901 and then on Azusa Street in California 1906 Over the past century this spiritual awakening has touched every country on the globe By 2014 there were 631 million Pentecostals in the world comprising a quarter of all Christians and that number is forecast to grow to 800 million by 2025 This book offers a window into some of the unique features of this phenomenal movement through expert contributions from some of the world's preeminent Pentecostal theologians It presents a Pentecostal perspective on important theological themes that pastors theologians and lay leaders are grappling with in the twenty first century      *The Church I Couldn't Find* Charles Alexander, 2013-04-04 After a year of searching Charles and Verna could not find a church primarily operating on basic first century principles Most churches are not traditional enough After thirty five years as a pastor my denomination had steered me in an ineffective and unbiblical direction We had become chaplains to the culture rather prophets within it Few churches seem to have a process and possibly the knowledge in how to make effective disciples Development of five apostolic principles is encouraged They really work The first century church was not perfect but remarkably diverse in maintaining apostolic accountability and encouragement How may churches develop autonomy unity and cooperation in close geographical areas First century worship is difficult to find A service is produced here that hopefully includes all essential principles Dependent on the process of the group event the group based church proves to be the best way to achieve apostolic goals and to provide an easy way to minister in unity with other churches Many personal experiences illustrate the

point Practical and effective development in the authors experience has resulted in the building of three new churches and a wide ministry of teaching

The Doors of the Church are Closed Dr. Dana Carson, 2008-01-15 Martin Luther and John Calvin challenged Roman Catholicism John Wesley George Whitefield and Jonathan Edwards challenged spiritual lethargy Dr Martin Luther King Jr challenged America s social injustice and now Dr Dana Carson is challenging the Christian Church The Doors of the Church are Closed is one of the most relevant 21st century writings to the Church Statistics suggest nearly 4 000 churches are closing with only 1 200 to 1 800 opening annually Less than 20% of Americans attend church and 97% of churches didn t win one convert last year Yet the Church has exchanged its mission of Kingdom expansion for popularity and wealth The Doors of the Church Are Closed This book identifies the root causes of the contemporary Church s failures and raises some monumental challenges to believers This book is a must read for the Body of Christ and those who desire to fulfill the will of God in their lives

**Liturgical Catechesis in the 21st Century, Revised Edition** James C. Pauley, 2022-04-13 In Liturgical Catechesis in the 21st Century A School of Discipleship Dr James Pauley explores the sacred action most essential to forming genuine disciples the transformative encounter with God in the liturgy Drawing upon important twentieth century intellectual influences as well as the experience of several of today s foremost catechetical leaders this book will inspire readers with a promising new vision for sacramental preparation and mystagogical catechesis one that places maximum emphasis on apprenticing people into an active and fruitful sacramental life in Christ Dr James Pauley stresses the importance of discipleship and apprenticeship leading from the visible to the invisible realities of the divine encounter with God in the sacraments The relationship of liturgy and catechesis is vitally important to full conscious and active liturgical participation and to the life of holiness and missionary responsiveness which depends upon liturgy as its source This revised edition has been updated to reflect the 2020 Directory for Catechesis
