Letters to My Mother Mary Ruth Borg, 2009-10-27 I knew I liked to write when I was a teenager locking myself in my room I was angry frustrated and needed a positive outlet I was tired of breaking things I was sad having to pick up pieces of my little treasures So I picked up a pencil to write about how I felt and why I was being self destructive I was determined to find a way to diffuse the confusion in my head Taught very early to pray I d put my prayers on paper Seeing something written brought me back into reality I had a reference point Something I could read over and over to remind myself who I was and that I would be okay This is my story of survival My journey from the traumatic experience of being molested countless times by my step father while living within the strict religious practices of Jehovah s Witnesses to my healing process with Parents United I thought my life of confusion mistrust and low self esteem could never change As I got older I attracted more dysfunction in my choices I didn t know I could change that I didn t know any better I became afraid for my children I thought I was crazy and didn t have good parenting skills After years of therapy I learned to have control over my life and how to take the power back that I kept giving away I am no longer a victim It has been a long and twisty road Today I am proud to be happy healthy and productive in my world I am proud to be a survivor I hope to inspire others and give them hope that the craziness in their heads can go away I want to keep talking about this until the cycle is broken and all children are safe

Chosen by Fate, Rejected by the Alpha Deni Chance, 2020-11-06 Eighteen year old Trinity is unlike any other werewolf in her pack For one there were unusual circumstances surrounding her birth for another she is the only pack member to never shift into a wolf form So now she doesn t quite belong anywhere Not quite human and not quite wolf She thought she would be able to live her life how she wanted when she had turned eighteen Go to college make some friends have some fun But what is she to do when the dangerously sexy Alpha literally falls right into her lap I am not human and I am not a wolf I don t belong anywhere we both know that no one is going to mate with me and even if they did they would just reject me anyway What is the sexy brooding Alpha going to do The elders are making him hold these ridiculous parties to search for a mate He doesn t want a mate but he knows he needs a mate to finish the Alpha Circle Without a mate a Luna for the pack his people would suffer And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf This cannot be I roared There is no way that I can mate with

a girl that does not even have a wolf She will be too weak She will be inferior She will not be strong enough to be a Luna I simply could not accept her as my mate Not fully It wasn't safe for her She would get herself killed And she would bring my pack down with her When these two meet sparks will surely fly But will it be from passion or their constant fighting Neither of them wanted a mate Neither of them wants the mate that fate chose for them And neither of them can make that mate bond go away What are they going to do now that they're literally stuck with each other **The Angel Lady** Susan
