MANAGEMENT AND COST ACCOUNTING COLIN M. DRURY, 2013-12-11 **Colin Drury: Management and Cost Accounting** Colin.. Drury, 2012 **Management and Cost Accounting** Drury, 1996-11 **Costing** Colin Drury, 2013-12-14 *Management and Cost Accounting* Colin Drury, 2000-02 The market leading European text on management accounting and comprehensive authority on all aspects of the subject has been streamlined and substantially redesigned in its 6th edition to make it even more suitable for the needs of today's student. The aim of the new edition is to explain the principles involved in the design and evaluation of management and cost accounting information systems. The emphasis in the book is on management accounting systems that will be used for internal decision making purposes within an organisation; however, cost accounting systems for external reporting are also comprehensively covered. It has been brought up to date with the latest developments in the subject. Having been made stronger pedagogically with the addition of the answers to the questions and more real world mini cases, the text brings home the relevance of the subject matter to the real world of business.

Management and Cost Accounting Student Manual Colin Drury, 2017 For over thirty years Colin Drury has been at the forefront of helping students learn the key concepts and processes in management and cost accounting through his textbooks. Now in its tenth edition, *Management and Cost Accounting* has been the leading textbook in the field for three decades and continues to blend theory and practice in language that is clear and accessible. As well as covering everything students need to know for management accounting and cost accounting modules on undergraduate courses or postgraduate students studying these topics for the first time, this book will also help you. *Management & Cost Accounting* Colin Drury, 2000 Drury's *Management Cost Accounting* is the only text you will ever need, whether you are studying or teaching management accounting at undergraduate, postgraduate or professional level. Since publication of the first edition in 1985, Drury's text has been the leading international textbook on the subject. Now publishing in its fifth edition, *Management Cost Accounting* offers you and your students even more. *Management Cost Accounting* has the most comprehensive ancillary package available. The package for the fifth edition is better than ever before, with both printed and web-based resources. The Drury website www.druryonline.com is packed with valuable resources for you and your students. There are resources that are open to access for all, and there are resources that are restricted to lecturers' use only. When you adopt *Management and Cost Accounting* 5th edition, you will receive a username and password to give you access to this restricted website.
