

## STAKEHOLDER REPORTING MEETING FINAL REPORT

### PRESENTATION MATERIALS

1. Technical documents include the report.
2. Presentation is a summary, not the technical documents, and sets up a context and framing, not technical facts and is an overview that documents technical details as a subsequent briefing document.
3. The presentation is interactive with the judges who will be involved throughout the presentation. The judge will play the role of the center of gravity in the room. The management team has been asked to determine how the company can manage efficiency and production of staff without increasing the number of those employees or number of employees per day.
4. Each team member will be given two minutes to present and be responsible for the presentation.
5. All team members must participate in the presentation as well as answer the questions posed by the judges. There will be a 10-minute break in the room.
