Osa D. Coffey, John F. Knoll, 1998. Individuals who leave correctional facilities need an array of life skills in order to make a successful return to family, community, and workplace. These skills need to be taught in correctional education programs. They include not just basic literacy but such things as how to write an application letter and resume, how to prepare for and participate in a job interview, how to deal with supervisors and other authority figures, and provide responsible and consistent work performance. Knowledge about budgeting, credit, insurance, taxes, and other daily living areas, and parenting, health, and nutrition. This report examines 19 grantees from DoE to develop life skills programs. *Master Your Money, Secure Your Future*

Eric Butow, Marc Butler, 2010-11-18. You don't need to be wealthy to take control of your finances; you just need a plan that works. *Master Your Money, Secure Your Future* gives you exactly that. Written by financial expert Marc Butler and author Eric Butow, this no-nonsense guide explains personal finance without jargon or hype. It's for real people with real questions about saving, debt, credit, insurance, investing, and more. Every chapter ends with a focused action plan to help you move from reading to doing. You'll learn to build a budget that fits your life, pay down debt with a clear approach, understand insurance and investment options, set financial goals that match your values, navigate money decisions through major life events. Real life examples bring the advice to life, from a graduate managing student debt to a couple planning for retirement. Whether you're starting out or starting over, this book offers a grounded, flexible approach to financial well-being. Clear, honest, and written for everyday use, *Master Your Money, Secure Your Future* is a personal finance resource you'll return to again and again.

Goals for Living Wehlage, 1997-09. *Goals for Living* is designed to help students meet the challenge of managing their daily lives both now and in the future. Management is thoroughly covered as related to all areas of family and consumer sciences and adult living. The unique approach of this book stresses the importance of resource management in reaching goals. Each chapter is a goal that students can meet by using the resources discussed. Up to date with the newest technology, information on savings and investments, and impact of technology on the family. Suitable for a variety of classes such as home management, independent living, and life skills. Summary, Learning Objectives, Important Terms, Review Questions, and Suggested Activities are included in each chapter. *Managing Your Money: Navigating Life's Financial Transitions* Mireva Solyn, 2025-02-25. From navigating the financial complexities of marriage to dealing with the fallout of divorce or the

uncertainty of job loss this book offers a comprehensive roadmap for managing your money through life's ups and downs. The book begins by exploring the impact that major life transitions can have on one's financial well-being. Through real-life examples and practical strategies, readers will gain a deeper understanding of how to navigate these changes with confidence and resilience. By addressing common financial challenges head-on, this book empowers readers to take control of their financial future and make informed decisions that align with their goals and values. *Managing Your Money* also delves into the emotional aspects of financial management during life transitions, offering insights on how to cope with stress, anxiety, and uncertainty. By fostering a healthy mindset towards money and wealth, readers can cultivate a sense of financial well-being that extends beyond their bank accounts. In addition to providing guidance on managing everyday finances, this book offers expert advice on long-term financial planning. From setting realistic financial goals to building a secure financial foundation, readers will learn how to create a roadmap for financial success that adapts to life's inevitable twists and turns. Whether you're preparing for marriage, navigating a divorce, or recovering from a job loss, this book will equip you with the tools and knowledge needed to take control of your financial future and thrive through life's transitions.
