Cracking the 1st Grade Reading & Math Mary Austin,Sarah Little,2008-05-06 Guides and instructs both students and

parents on the basics of reading and mathematics for the first grade including exercises and practice tests and how to use the exercises in the book effectively **Prepare & Practice for Standardized Tests Grade 2** Julia McMeans, 2009-01-02

This series takes advantage of the latest research related to standardized testing. It prepares not only students but also teachers and parents for successful testing experiences. Each book in the series presents test taking strategies and anxiety reducing tips. The practice tests cover grade specific standards based content. The test questions are similar in style to those found in current standardized test. There's no magic in these books. They're not fancy. But they offer the very best preparation for making the most of testing and getting results that accurately measure what each student knows.
