Managing Developing Communities Festivals Events:

Managing and Developing Communities, Festivals and Events Alan Clarke, 2016-04-29 The different stages of a festival's evolution provide a plethora of opportunities for us to better understand our culture the relationships we build what we value in our culture and our communities and how we socialize and interact with one another Managing and Developing Community Festivals and Events brings together community festival and event research from nine different countries It critically explores how festivals and their communities develop and impact upon one another The chapters focus on a wide range of festivals such as food and culinary festivals art events religious pilgrimage and feast festivals as well as a variety of diverse themes such as joy civil unrest preservation of cultures and authenticity Managing and Leveraging Events Nico Schlenker, Katie Schlenker, Hussain Rammal, Jon Welty Peachey, Ashlee Morgan, 2021-11-10 This book explores and advances the latest concepts and developments in event management theory and practice Drawing on the ever growing event management literature and supported by theories and concepts from parent disciplines the book examines challenges and opportunities related to maximising business and social benefits for those working in different event management positions in a variety of contexts Written by an international team of five management scholars the book investigates event management and leverage from various angles including international business event business studies sport management community development and business strategy It does so by offering a combination of theoretical approaches as well as contemporary cases from around the world This book will be of interest to undergraduate and postgraduate students of event management as well as scholars researching in social and business related areas of event management and leverage

Reimagining Community Festivals and Events Allan Stewart Jepson, Raphaela Stadler, Trudie Walters, 2024-05-06 This book celebrates and builds on Alan Clarke 1956 2021 and Allan Jepson's 2015 book *Exploring Community Festivals and Events* It showcases how far the study of community festivals and events has come in the intervening years and in so doing it is a response to recent calls for researchers to take a more critical approach to event studies This is an interdisciplinary book that draws together empirical research across a wide range of community event types sizes and within diverse communities Chapters in this book are grouped into four themes that highlight the breadth and depth of work being done reviving and maintaining traditions a focus on belonging challenges and tensions and innovations in teaching and research Another of its core strengths is its international perspective the book encompasses research from around the world including Turkey Portugal Greece India the UK the US Austria and New Zealand There is also a diverse range of theoretical lenses applied to the study of community events and some innovative methodologies used to achieve research aims and objectives This volume will appeal to students and researchers in the fields of critical event studies cultural studies place making tourism music sociology and geography Several chapters also provide insights and key learnings for those lecturing and working in event management and industry professionals *Exploring Community Festivals and Events* Allan Jepson, Alan Clarke, 2014-10-17

The development of the festival and event industry has seen large scale growth and extensive government support as a result of objectives to enhance and project the image of place and leverage positive sponsorship and regeneration opportunities As we move deeper into austerity measures prompted by economic recession community festivals and events as a sacred or profane time of celebration can be considered even more important than ever before This book for the first time explores the role and importance of community culture and its impact through festivals and events Split into two distinct sections the first introduces key themes and concepts contextualises local traditions and culture and investigates how festivals and events can act as a catalyst for tourism and create a sense of community It then questions the social and political nature of festivals and community events through examining their ownership The second section focuses on communities themselves seeking to examine and discuss key emerging themes in community event studies such as the role of diaspora imagined communities pride and identity history producing and consuming space and place authenticity and multi ethnic communities Examples are drawn from Portugal the Dominican Republic the USA Malaysia Malta Finland and Australia making this book truly international This significant volume will be valuable reading for students and academics across the fields of Event Tourism and Hospitality studies as well as other social science disciplines

Community Destination Management in Developing Economies Kaye Chon Sung, 2006-05-24 The practical user friendly guide to creating a sustainable future for destinations in developing economies Community Destination Management in Developing Economies is a user friendly guide that provides a comprehensive view of the issues facing planners policymakers and destination managers who attempt to ensure a sustainable future

International Case Studies in Event Management Judith Mair,Gürhan Aktaş, Metin Kozak,2024-02-01 This international case study book provides 27 expertly curated case studies on the topic of events management each with detailed implementation instructions for the instructor in order to maximise student participation and learning Embellished with questions diagrams and data throughout these case studies have been developed by industry experts and practitioners with the aim of creating a more interactive teaching experience focused on real world scenarios within the events industry Each case study is logically structured and includes an aim and objectives expected learning outcomes required background knowledge steps of implementation in class or online as well as suggestions for further reading resources Topics covered range from macro impacts of events on destinations to success criteria in event operations with the aim of preparing future professionals and equipping them with the necessary skills and competencies to succeed within the events industry Easy to use and international in scope this volume is an ideal study resource for use in higher and vocational education and its unique teaching led approach positions it as a vital study tool for instructors and students alike

The Routledge Handbook of Festivals Judith Mair,2018-09-03 In recent times festivals around the world have grown in number due to the increased recognition of their importance for tourism branding and economic development Festivals hold multifaceted roles in society and can be staged to bring positive economic impact for the competitive advantage they lend a destination or to address social objectives Studies on festivals have appeared in a wide range of disciplines and consequently much of the research available is highly fragmented This handbook brings this knowledge together in one volume offering a comprehensive evaluation of the most current research debates and controversies surrounding festivals It is divided into nine sections that cover a wide range of theories concepts and contexts such as sustainability festival marketing and management the strategic use of festivals and their future Featuring a variety of disciplinary cultural and national perspectives from an international team of authors this book will be an invaluable resource for students and researchers of event management and will be of interest to scholars in the fields of anthropology sociology

geography marketing management psychology and economics Dictionary of Event Studies, Event Management and Event Tourism Emma Abson,Vladimir Antchak,Joe Goldblatt,William O'Toole,Stephen Page,Raphaela Stadler,Vassilios Ziakas,2021-03-31 A complete and thorough ontology of the study of planned events and the professional practice of event management and event tourism Contains user friendly explanations and language to explain and contextualise jargon and technical terms within this wide and varied field Managing Events, Festivals and the Visitor Economy Michael B. Duignan,2021-12-14 This edited text intended to support a research informed approach to learning and teaching presents an array of concepts collaborations and in depth cases related to managing events festivals and the visitor economy Authors offer an array of philosophical political cultural and ethical perspectives on how to achieve this across a range of contexts from Cambodia China Egypt to the British cathedral city of Lincoln Though recognising individual difference each chapter unites in their common pursuit of supporting the United Nations Sustainable Development Goals UNSDGs This is significant as utilising the UNSDGs as a normative organising framework for how we all think about plan and manage a good visitor economy is increasingly ubiquitous It is with this in mind that each chapter provides explicit links to the UNSDGs and policy and or practical implications along with a series of critical self assessment questions to reflect on the chapter s key arguments This collection aims to satiate what appears to be an increasing appetite of readers and students alike who seek exposure to rigorous debate in and out of the classroom **Handbook of Research on Museum Management in the Digital Era** Bifulco, Francesco,Tregua, Marco,2022-03-25 While digital tools are not new to museum management more activities are being performed through their use in order to attract visitors enrich the cultural experience vary the experience context and innovate the cultural industry However these tools need to be tested in order to understand the effects they have on both museum offerings and visitors Further perspectives and insights are needed on the implementation of these digital instruments in museums The Handbook of Research on Museum Management in the Digital Era combines theoretical efforts and empirical research to contribute to the debate on museum management in a digital context It further observes tracks and assesses the ongoing changes brought on by digital solutions Covering topics such as organizational change catalysts sustainability of cultural heritage and phygital experience this book is an excellent resource for museum managers museum curators computer specialists students and educators of higher education researchers and academicians *Principles and Practices of Small-Scale Sport Event Management* Fotiadis, Anestis,Vassiliadis, Chris,2020-05-08 Although there is significant research on large events that take place within athletics small scale events are largely ignored in part due to the lack of press that they generate However these events require planning and preparation in the same way that larger sporting events do This disparity between the effort that goes into the event and the attention the event draws allows for a gap in strategy or information available to those planning smaller scale athletic events *Principles and Practices of Small Scale Sport Event Management* is a cutting edge reference publication that examines the successful organization and planning of small

scale sporting events Featuring a wide range of topics such as community engagement event planning and sports management this book is ideal for event planners sports managers marketers academicians practitioners industry professionals researchers event organizers coordinators and students Planning and Managing Smaller Events Stefano Di Vita,Mark Wilson,2020-09-24 Planning and Managing Smaller Events Downsizing the Urban Spectacle explores the role of smaller scale events in contributing to the renewal and development of urban societies This book adopts a case study approach to examine a diverse range of events taking place in towns and cities in Europe Asia and North America This volume begins by defining and classifying these kinds of events and then verifying if and how they can provide opportunities for cities and towns without the disadvantages of world famous large events It concludes by discussing the growing regional scale of urban phenomena and their transition in post metropolitan spaces Planning and Managing Smaller Events Downsizing the Urban Spectacle will be of interest to government officials and policy makers involved in economic development urban planning parks arts culture as well as students and researchers interested in urbanism event management tourism and recreation **Power, Construction and Meaning in Festivals** Allan Jepson,Alan Clarke,2017-11-10 Whether through education sport or festivity events form the basis on which we attribute cultural meaning significance and value to our lives In this light community events have the potential to create positive and negative social cultural economic and environmental impacts within the community across a wide variety of genres and platforms This book offers a deeper and more critical insight into the relationships dynamics and planning processes of festivals and events and the impact this has upon authenticity cultural consumption and the local communities they serve It does so by looking at a range of key debates in power theory event planning and design event construction experience and meaning authenticity sustainability social inclusion accessibility and sponsorship engagement International case studies are embedded within the chapters examining the role of stakeholders local communities organisers local governments and infrastructure This critical event studies text is interdisciplinary and will make valuable reading for students and researchers who are interested in the relationships and dynamics involved in the construction and planning of festivals and events their immediate impact and their significance for the future Knowledge Management in Event Organisations Raphaela Staedler,2021-03-31 Provides an in depth understanding of the challenging nature of events where knowledge needs to be created and shared both pre event and during the event as well as stored effectively post event Generic KM frameworks and models are introduced applied and adapted in order for event organisers to avoid reinventing the wheel each year **Festival and Event Management in Nordic Countries** Tommy Andersson,Donald Getz,Reidar Johan Mykletun,2014-06-11 This book on events related research marks a watershed in the development of a Nordic School of festival and event research Each of the chapters presents a new and interesting approach to the study of events in terms of methods perspectives or content It is mostly rooted in management theory but also incorporating other perspectives that enhance our understanding of the phenomena

Implications for real world applications in tourism hospitality and community development are also at the fore The scholarship is comprehensive not focused on only tourism or economic aspects Management theory including stakeholder management social networks and institutionalization processes is being applied Attention is being given to the multiple roles festivals and events play in society and to evaluation of their worth and impacts Innovative methods are being developed to examine event experiences innovation processes and success factors There is now a critical mass of scholars in the Nordic countries that share a strong interest in event studies and they are engaged in collaborative research making it an appealing and innovative region for other event students and researchers to visit It can be expected that the Nordic school will take an increasingly important place in the development of event studies which is now truly global in terms of scholarship and university degree programs This book was originally published as a special issue of Scandinavian Journal of Hospitality and Tourism

Marginalisation and Events Trudie Walters, Allan Stewart Jepson, 2019-01-08 This book is the first to take an in depth examination of marginalisation and events Marginalisation has been the subject of academic research for some time now For example marginalisation and exclusion have been identified as problematic in fields as diverse as geography public health education and media studies However little research has been carried out within the field of event studies Using a range of different theoretical and methodological approaches from a variety of disciplines the volume applies a critical approach to events as they relate to marginalisation that seeks to address the how and why and to provide a holistic picture of their place and influence in the lives of marginalised individuals and communities International through authorship and examples it encompasses case studies from around the world including South Africa the United Kingdom Italy Afghanistan the United States Brazil Portugal Australia and New Zealand This is essential reading for students and researchers in the fields of critical event studies anthropology cultural studies tourism sociology and management

Event Management and Sustainability Razaq Raj, James Musgrave, 2009 Sustainable management is an important consideration for businesses and organisations and the enormous number of tourism events taking place requiring facilities power transport people and much more makes sustainable event planning a considerable priority By looking at mega events sports events conferences and festivals this book uses best practice case studies to illustrate sustainable management issues and practical considerations that managers need to apply providing an essential reference for researchers and students in leisure and tourism

Festival and Events Management Ian Yeoman, Martin Robertson, Jane Ali-Knight, Siobhan Drummond, Una McMahon-Beattie, 2012-06-14 Festival and Events Management an international perspective is a unique text looking at the central role of events management in the cultural tourism and arts industries With international contributions from industry and academia the text looks at the following Events cultural environments Managing the arts leisure experience Marketing policies and strategies of art and leisure management Chapters include exercises and additional teaching materials and solutions to questions are provided as part of an accompanying online resource

Managing Developing Communities Festivals Events Introduction

In today's digital age, the availability of Managing Developing Communities Festivals Events books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Managing Developing Communities Festivals Events books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Managing Developing Communities Festivals Events books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Managing Developing Communities Festivals Events versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Managing Developing Communities Festivals Events books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Managing Developing Communities Festivals Events books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Managing Developing Communities Festivals Events books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Managing Developing Communities Festivals Events books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Managing Developing Communities Festivals Events books and manuals for download and embark on your journey of knowledge?

FAQs About Managing Developing Communities Festivals Events Books

1. Where can I buy Managing Developing Communities Festivals Events books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
