Managing Corporate Legitimacy A Toolkit:

Managing Corporate Legitimacy Dorothee Baumann-Pauly, 2013 The failure of many governments to provide basic rights for their citizens has given rise to the expectation that globally operating corporations should step in and fill governance gaps for example in the area of human rights Today many large multinational corporations claim to conduct business in a socially responsible manner yet no tools exist to assess whether and to what degree they have indeed systematically revised their business practices to take on these new responsibilities Managing Corporate Legitimacy addresses these research gaps by clarifying the role of the corporation as a private actor in global governance at conceptual and empirical levels by contributing to our theoretical understanding of CC as a new phenomenon in globalization and by furthering the development of appropriate approaches to CC in practice through its toolkit The tool structures the implementation process in five learning stages defensive compliance managerial strategic and civil The final civil stage describes political corporate behaviour The author includes an empirical assessment of five Swiss multinationals in this book which reveals that most companies even those with relatively long standing and mature policies on social and environmental issues have only just started to learn how to become corporate citizens The book therefore concludes with a discussion of an issue specific extension of the assessment tool and presents methods for setting priorities in the approach to corporate citizenship that may also facilitate corporate engagement with stakeholders The tools developed in this book provide practical and detailed guidance for implementing and embedding CC and managing corporate legitimacy It will be essential reading for practitioners looking for ways to legitimize their engagement with societal issues and for academics considering how we can better measure the engagement of business with CC

Business and Human Rights Dorothee

Baumann-Pauly, Justine Nolan, 2016-04-28 In a global economy multinational companies often operate in jurisdictions where governments are either unable or unwilling to uphold even the basic human rights of their citizens The expectation that companies respect human rights in their own operations and in their business relationships is now a business reality that corporations need to respond to Business and Human Rights From Principles to Practice is the first comprehensive and interdisciplinary textbook that addresses these issues It examines the regulatory framework that grounds the business and human rights debate and highlights the business and legal challenges faced by companies and stakeholders in improving respect for human rights exploring such topics as the regulatory framework that grounds the business and human rights debate challenges faced by companies and stakeholders in improving human rights industry specific human rights standards current mechanisms to hold corporations to account future challenges for business and human rights With supporting case studies throughout this text provides an overview of current themes in the field and guidance on practical implementation demonstrating that a thorough understanding of the human rights challenges faced by business is now vital in any business context

Logistics Business Proposal Philip Onyango Ochol, Claire Wanjiku Kinuthia, Jesca Chepng'etich, Audilia Mkamburi

Democratic Empowerment in the European Union David Levi-Faur, Frans van Waarden, 2018 This book looks at democratic empowerment via institutional designs that extend the political rights of European citizens It focuses on three themes first the positive and negative effects of the European Union institutional design on the political rights of its citizens second challenges for democratic regimes across the world in the 21st century in the context of regionalism and globalization third the constraints of neoliberalism and capitalist markets on the ability of citizens to effectively achieve their political rights within the Union

New Corporate Governance Martin Hilb, 2006-08-04 This book presents an innovative and integrated approach to the theory and practice of corporate governance Central to this approach is a set of instruments that can be used by boards to offer effective strategic direction and control to their organizations The board instruments can be readily applied to the targeted selection review remuneration and development of board members and for conducting board self evaluations This new approach to corporate governance is based on four guiding principles that together form the basis of an integrated approach that addresses all key aspects of corporate governance Materiality in Institutions

François-Xavier de Vaujany, Anouck Adrot, Eva Boxenbaum, Bernard Leca, 2019-03-01 This book aims at clarifying the role of materiality spaces digitality and embodiment in institutional dynamics from the perspective of Management Organization Studies Presenting a rich set of theoretical methodological and epistemological advances on materiality and institutions it also gives voice to distinctive and diverse perspectives on materiality in institutions structuring chapters into four major topics artefacts and objects digitality and information space and time body and embodiment This book sparks discussion and debate about ontological dimensions of Management Organization Studies including post discursive visual phenomenological and material With a foreword by Professor Thomas B Lawrence Sa d Business School University of Oxford Corporate

Crisis Recovery Petter Gottschalk, Christopher Hamerton, 2024-06-14 The principal aim of Corporate Crisis Recovery Managing Organizational Deviance Reputation and Risk is to complement and expand criminological discourse on the concept of the social license to operate as a means of influencing the behaviour of corporations In recent years the wide spanning consequences of some very public globalized corporate crises including fiscal and environmental impact staff retention and organizational survival have led to a growing body of research on crisis perception and responsive strategic management Developments that position corporate crisis recovery as an anticipated requirement of visible compliance to

normalized and anticipated standards of ethical practice and business conduct Utilizing convenience theory to illustrate how corporations and the individuals therein are able to lose repair and recover the corporate license to operate after corruption and scandal the book develops to evaluate the responses of the public and criminal justice process to serious reputational damage and substantial breach of trust

The Integrity of Governance L. Huberts, 2014-06-30 In the first book of its kind Leo Huberts provides a critical synthesis of cutting edge research on public sector integrity exploring issues such as the definition and importance of public sector integrity the various methodological approaches to the field as well as considering the causes of for the violation of values associated with integrity

Standards and Audits for Ethics Management Systems Josef Wieland, 2013-03-14 The articles collected in this volume deal with the contents and processes of good corporate practice Their common question is how moral values and ethical demands can become an integral part of economic and corporate decisions in a way that is credible and comprehensible for the society Generally accepted best practice or minimum requirements for codes of conduct matter in this context They codify values like integrity fairness openness honesty truthfulness solidarity and justice which have to be implemented in a company's day to day business In one sentence There is a need to develop criteria for seriosity and credibility for evaluating and controlling standards of conduct and the managerial systems created for this purpose In the international arena terms like Ethics management system Ethics program Values program Ethics audit and Social audit are in use to denote these management systems In this context it seems to me that the European perspective results from the values driven integration of corporate governance e.g. risk management compliance quality management e.g. human capital supply chain and corporate citizenship human rights ecology social responsibility community into a comprehensive and consistent management decision system The core value and common denominator of these areas is sustainability This for instance as opposed to narrow compliance programs that are largely law driven to use a distinction which Lynn S Paine introduced

FAQs About Managing Corporate Legitimacy A Toolkit Books

What is a Managing Corporate Legitimacy A Toolkit PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Managing Corporate Legitimacy A Toolkit PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Managing Corporate Legitimacy A Toolkit PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Managing Corporate Legitimacy A Toolkit PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Managing Corporate Legitimacy A Toolkit PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
