Being Mindful, Being Christian Joanna Collicutt,Roger Bretherton,Jennifer Brickman,2016-11-18 Given the rapid spread of mindfulness programmes for issues as wide ranging as depression pain employee engagement and character development this book is aimed at the numerous Christians who are wondering what to make of all this Ultimately it will allow questioning Christians to get to grips with mindfulness in a way that is both discerning and sympathetic By offering background information about being mindful the book will allow readers to disconnect mindfulness from the background of Buddhism in which it is frequently framed This then allows them to decide the extent to which they wish to learn and practice mindfulness without feeling the need to embrace Eastern philosophy in its entirety In addition by profiling the rich Christian tradition of mindful like practice it offers

a distinctively Jesus centred approach to non judgemental awareness and then applies this beneficially to many different areas of faith On putting the book down the reader will be encouraged not to be fearful of the widespread teaching of mindfulness emboldened to discern the point at which they politely part company with Eastern meditative practices and equipped to use all that is good in the practice of mindfulness to develop their relationship with Jesus and with others

**The Gospel of Happiness** Christopher Kaczor, 2015 What is true happiness How can you experience it And can you live it wholeheartedly in your day to day life Every thoughtful person asks such questions Thoughtful Christians ask a few more questions such as Can Christian practices enhance happiness If so how And does Christianity provide happiness in a way that other paths like psychology cannot Christopher Kaczor suggests answers to these and other questions about how to be happier In *The Gospel of Happiness* the bestselling author of *The Seven Big Myths of the Catholic Church* highlights seven ways in which positive psychology and Christian practice can lead to personal and spiritual transformation Focusing on empirical findings in positive psychology that point to the wisdom of many Christian practices and teachings the author provides not only practical suggestions on how to become happier in everyday life but provides insight on how to deepen Christian practice and increase love of God and neighbor in new and bold ways Part of the Christian message is that authentic happiness is to be found not in selfishness but self giving writes Dr Kaczor In this book I highlight the many ways in which positive psychology and Christian practice overlap All of this points us toward deeper fulfillment in this life and in the life to come
