(adj, ambivalence)

A person with up to and both positive and negative affect to other something is to hold a **double meaning**.

Doc's feelings are mixed to this ambivalence. He claims to love Gatsby and want to make things right. Yet he has not often a willingness to give her with the security and even status that she needs.

Her intention continues to be ready to take responsibility for her role in the accident, showing her conflicting desires for love, freedom, and stability.
