Green Leaf In Drought Isobel Kuhn:

Green Leaf in Drought-time Isobel Kuhn, 1957 As Isobel Kuhn states in the introduction the purpose of this book is not to simply tell another story of the trials that Christians and missionaries faced under communism in China Its true purpose is to describe God s provision for His children that allows them to put forth green leaves when all others around are dried up and dying from the drought This book tells the tale of Arthur Mathews and his young family who were missionaries with China Inland Mission in the 1950s In 1951 China Inland Mission called for an evacuation of all its missionaries in China due to the oppression of the communist leaders there Two years later Arthur Mathews finally made it out to Hong Kong after enduring torture and starvation Yet his faith remained strong What gave Mathews such strong faith What enabled him and his wife to endure what they went through Isobel Kuhn tells a compelling tale based on Mathews own letters about the Source of his strength God and God alone God continually showed Himself faithful to Arthur and Wilda Mathews Though Arthur and Wilda were unable to do the work they felt called to do God showed that through their hardships He was more than enough for his children The enduring faith of the Mathews family was a legacy of incalculable worth to the native Chinese church As Kuhn asks What more potent message could God have given these people No wonder He deliberately sealed the lips of His servants confined their hands and their feet and then poured His life through them that the Chinese church might see and might desire Was God wrong to do this In the farthest most inland part of that great land was God unfair to ask two corns of wheat to die in this world s comforts that others might see for two long years not just two days God gave them a good stretch of testing time how He is sufficient for all these things He sent them to serve by life and so sealed their lips It was a much more potent message God is the true source of life and God will keep His children even to the end He kept Arthur and Wilda Mathews and He will keep you too This story is an incredible reminder of the truth of God s sustenance and life Publisher *Green Leaf in Drought* Isobel Kuhn, O M F Books, 2001 As Isobel Kuhn states in the introduction the purpose of this book is not to simply tell another story of the trials that Christians and missionaries faced under communism in China Its true purpose is to describe God s provision for His children that allows them to put forth green leaves when all others around are dried up and dying from the drought This book tells the tale of Arthur Mathews and his young family who were missionaries with China Inland Mission in the 1950s In 1951 China Inland Mission called for an evacuation of all its missionaries in China due to the oppression of the communist leaders there Two years later Arthur Mathews finally made it out to Hong Kong after enduring torture and starvation Yet his faith remained strong What gave Mathews such strong faith What enabled him and his wife to endure what they went through Isobel Kuhn tells a compelling tale based on Mathews own letters about the Source of his strength God and God alone God continually showed Himself faithful to Arthur and Wilda Mathews Though Arthur and Wilda were unable to do the work they felt called to do God showed that through their hardships He was more than enough for his children The enduring faith of the Mathews family was a

Disciplines of a Godly Woman Barbara Hughes, 2006-01-10 Discipline For many of us the word alone evokes dread It s not that we don t want to be disciplined physically mentally and spiritually The challenge seems too hard and the motivation more about duty than desire When it comes to our Christian walk we don t want to be legalistic and just follow some set of rules That s not what it s all about right Barbara Hughes answers with this encouraging reality The true heart of spiritual discipline is a relationship with God As you grow in that relationship embracing your heavenly Father and his ways you discover that discipline is your lifeline to him It is how he gives meaningful shape to all the days of your life The dread of a disciplined life will be replaced with desire and anticipation as you find that there is no greater purpose than loving Him in every moment every activity and every thought Using poignant stories and faithful reminders Barbara opens her own heart to help you find the joy of full surrender Her honest and encouraging look at the Word of God reveals the keys to living a truly godly life And to strengthen your walk day to day she offers hymns and praise psalms for your devotional times a long list of recommended books that will lift your spirits and Bible study helps to remind you that you re not alone **The Treasure of His Company**, 2004 **A Protestant Church in Communist China** John Craig William Keating, 2012-02-16 Freedom of religious belief is guaranteed under the constitution of the People s Republic of China but the degree to which this freedom is

able to be exercised remains a highly controversial issue Much scholarly attention has been given to persecuted underground groups such as Falun but one area that remains largely unexplored is the relationship between officially registered churches and the communist government This study investigates the history of one such official church Moore Memorial Church in Shanghai This church was founded by American Methodist missionaries By the time of the 1949 revolution it was the largest Protestant church in East Asia running seven day a week programs As a case study of one individual church operating from an historical rather than theological perspective this study examines the experience of people at this church against the backdrop of the turbulent politics of the Mao and Deng eras It asks and seeks to answer questions such as were the people at the church pleased to see the foreign missionaries leave Were people forced to sign the so called Christian manifesto Once the church doors were closed in 1966 did worshipers go underground Why was this particular church especially chosen to be the first re opened in Shanghai in 1979 What explanations are there for its phenomenal growth since then A considerable proportion of the data for this study is drawn from Chinese language sources including interviews personal correspondence statistics internal church documents and archives many of which have never previously been published or accessed by foreign researchers The main focus of this study is on the period from 1949 to 1989 a period in which the church experienced many ups and downs restrictions and limitations The Mao era in particular remains one of the least understood and seldom written about periods in the history of Christianity in China This study therefore makes a significant contribution to our evolving understanding of the delicate balancing act between compromise co operation and compliance that categorizes church state relations in modern China
