Groups Process And Practice 8th Edition:

Social Workers' Desk Reference Kevin J. Corcoran, Albert R. Roberts, 2015 In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole Values and Ethics in Counseling Dana Heller Levitt, Holly J. Hartwig Moorhead, 2013-06-26 Many counselors learn about ethics in graduate school by applying formal step by step ethical decision making models that require counselors to be aware of their values and refrain from imposing personal values that might harm clients However in the real world counselors often make split second ethical decisions based upon personal values Values and Ethics in Counseling illustrates the ways in which ethical decisions are values but more than that it guides counselors through the process of examining their own values and analyzing how these values impact ethical decision making Each chapter presents ethical decision making as what it is a very personal values laden process one that is most effectively illustrated through the real life stories of counselors at various stages of professional development from interns to seasoned clinicians who made value based decisions Each story is followed by commentary from the author as well as analysis from the editors to contextualize the material and encourage reflection
