

The background of the entire image is a dark, turbulent sea at night. A bright, glowing light source, possibly a lighthouse or a fire, is visible in the upper center, casting a powerful beam of light that reflects off the choppy water. The water is dark blue and black, with white foam from the waves catching the light. The overall mood is somber and dramatic.

Guardian Angels Along My Homeless Path Ulyses B. Hooks, Jr., Narayan Persaud, 2006-04-01 From the age of eighteen he became a drifter He moved from a life of drugs alcohol and crime to homelessness Along the way he got married for a few months and had a daughter from whom he is detached but adores Still drifting neither his addiction nor his homelessness could deter him from pursuing what he refers to as the American Dream He pursued and earned a Bachelors degree in Sociology and a Masters in Criminology sleeping mostly in and out of homeless shelters in abandoned buildings and on street corners Because of his arrest record and imprisonment as a petty thief some twenty five years ago he remains unemployed and homeless a victim of his past How he survived it all he says it is because he had some Guardian Angels along his Homeless path *Kidwatching in Josie's World* Neva Ann Medcalf, 2008 Over twenty years of work and research with homeless children comes together in a scholarly work that puts a real face on the issue of homelessness especially for children Most people do not realize that children are among the thousands that are homeless and are the fastest growing segment of the homeless population The public tends to think about the bum on the corner with the cardboard sign or those sleeping under the bridges who accost them for a handout They do not realize that homelessness has an enormous and negative impact on growth development and learning for children This is an issue that affects schools communities and society at large Through qualitative observations in a one room classroom in a homeless shelter and in classrooms of an elementary school located in a subsidized housing project the development and use of language among homeless children classroom interactions between students and teachers and information regarding the effects of homelessness on children are closely examined This book re educates teachers educators and the general public in order to spur a new more accurate mindset about the reality and consequences of homelessness The work s larger purpose is to bring about compassionate implementation of the solutions necessary to eradicate this problem *Guardian Angel* Kurt R. Sivilich, 2011-02-24 For Michael death comes calling unexpectedly one afternoon with a sudden squeezing sensation in his chest But he soon learns that death is only the beginning of his troubles as he reaps the unpleasant reward of living a lukewarm life and finds himself denied entrance into Heaven The life Michael once knew is gone Just when Michael thinks he is headed to the fiery gates of hell he is offered one last chance at redemption but at a terrible cost After he reluctantly forfeits everything from his old life he is recreated into a guardian angel who must abide by strict rules Homelessness hunger danger and despair become his world until the kindness of a minister in a homeless shelter provides him with a much needed purpose But the danger only increases as he halfheartedly immerses himself in his Guardian Angel duties Ordered to protect jealous lovers burned out police officers delusional street people and delinquent youth Michael only wants one thing to go home Michael is about to realize that his path to redemption will be more difficult than he ever imagined **A Long Way Home** Saroo Brierley, 2014-06-12 First it was a media sensation Then it became the 1 international bestseller A Long Way Home Now it s
