Lessons from the Twelve Archangels Belinda J. Womack, 2015-10-15 A powerful guide to open your life to the wisdom and healing of the Angels and their love for us Contains instructions from the 12 Archangels on how to transform our deepest fears and hurts from the past Includes Angelic guided visualizations on working with Angels to access the healing power of the chakras and to manifest with the creative imagination Contains 48 specific messages from the Angels designed for quick access to practical guidance when needed in daily life Angels are loving forces in our lives Each of us has the ability to communicate with them if we open our minds to their teachings Belinda Womack was a believer in Angels until the age of 12 when she decided she wanted to become a scientist Years later working in a biology lab she found herself in the presence of the Archangel Gabriel and realized her calling as a spiritual conduit for Angelic healing and support In this book she shares lessons practices and daily guidance from the 12 Archangels to help us listen to and heal our wounded inner child release our fears and enact deep subconscious transformation Each word transmitted directly from the 12 Archangels carries their love so that when read the love is absorbed into the reader's mind and supports the release of our deepest wounds and fears The tools and exercises shift your vibration so results are both felt and experienced immediately Each message awakens your innate spiritual power to rebuild destroyed self esteem lifting you higher in vibration and allowing life to be filled with the power of your own divinity The book includes Angelic guided visualizations on working with Angels to access the healing power of the chakras and to manifest with the creative imagination as well as specific messages from the 12 Archangels designed for quick access to practical guidance when Angelic support is needed in daily life As Belinda Womack shows by opening ourselves to the support of the 12 Archangels we can move out of the past and into Heaven's abundance heal our inner wounds and shift our vibration to one of unconditional love for self others Mother Earth and the Universe *Guardian Angels* Marcel Prévost, 1914 **Catechist Companion** Ida Peterfy, 2009 **The Jasper Project** John D.
