John Deere Power Systems
Moline, Illinois
USA

Introduction

Foreword

This repair manual covers the 6068 PowerTech engines for Final Tier 4/Stage IV platform.

This manual is written for an experienced technician. Essential tools required in performing certain service work are identified in this manual.

Use With Safety: Read the safety messages in the introduction of this manual and the cautions presented throughout the rest of the manual.

CAUTION: This is the safety-alert symbol. When you see this symbol on the machine or in this manual, be alert to the potential for personal injury.

Information in this manual is organized in sections and sub-divided into groups.

Section 01 covers the safety measures to follow while repairing the engine, engine identification features, engine emission & application details, and information about the fuel, lubricants & coolant.

Section 02 covers the Repair and Adjustment procedures.

Section 03 explains Systems Theory of Operation.

Section 04 is the diagnostic section that provides troubleshooting procedures to find problems.

Section 05 lists all applicable service equipment and tools, other materials needed to do the job.

Section 06 details all specifications, wear tolerances, torque values and contains the wiring diagrams.

This manual contains 31 liters, units of measure followed immediately by the U.S. customary units of measure. Most hardware on these engines is metric sized.

Read each block of material completely before performing service to check for differences in procedures or specifications. Follow only the procedures that apply to the component you are working on.

Component Technical Manuals are service service guides for specific components. Component technical manuals are written as stand-alone manuals covering multiple machine applications.

Fundamental service information is available from other sources covering topics: theory of operation, fundamentals of troubleshooting, general maintenance, and test type of failure and their causes.

CALIFORNIA PROPOSITION 65 WARNING: Diesel engine exhaust and some of its constituents are known to the State of California to cause cancer, birth defects and other reproductive harm.
