Gringos In The Garbage:

Gringos in the Garbage Warren Fitzgerald, 2017-01 *Trash* Sylvia Aguilar-Zéleny, 2023-03-21 *Trash* interweaves the voices of three women with lived connections to the municipal garbage dump of Ciudad Juárez Mexico. Aguilar Zéleny's *Trash* shows the complexities of survival and joy, love and violence for three women: a teenager abandoned by her guardian at the dump, a scientist doing research on the residents of the dump, and a transwoman living nearby who is the matriarch of a group of sex workers. Each one of the characters navigates family abandonment, power, jealousy, greed, and multiple taboos around sexuality and gender violence. Their stories are linked by geography and by ideas of waste and abandonment. As Aguilar Zéleny explores these territories in her book, she asks crucial questions: Who is seen as disposable and why? How do women find their own means of survival and joy in the midst of a perilous sociopolitical context? What does it mean to live a life in a time of austerity and extreme violence? *Trash* is a critical intervention in Mexican literature. *Spilling the Beans in Chicanolandia* Frederick Luis Aldama, 2010-01-01 Since the 1980s, a prolific second wave of Chicano writers and artists has tremendously expanded the range of genres and subject matter in Chicano literature and art. Building on the pioneering work of their predecessors whose artistic creations were often tied to political activism and the civil rights struggle, today's Chicano writers and artists feel free to focus as much on the aesthetic quality of their work as on its social content. They use novels, short stories, poetry, drama, documentary films, and comic books to shape the raw materials of life into art objects that cause us to participate empathetically in an increasingly complex Chicano identity and experience. This book presents far-ranging interviews with twenty-one second-wave Chicano poets, fiction writers, dramatists, documentary filmmakers, and playwrights. Some are mainstream, widely recognized creators, while others work from the margins because of their sexual orientations or their controversial positions. Frederick Luis Aldama draws out the artists and authors on both the aesthetic and the sociopolitical concerns that animate their work. Their conversations delve into such areas as how the artists or writers' life experiences have molded their work, why they choose to work in certain genres, and how they have transformed them: what it means to be Chicano in today's pluralistic society and how Chicano identity influences and is influenced by contact with ethnic and racial identities from around the world. **The Mexico Reader** Gilbert M. Joseph, Timothy J. Henderson, 2022-08-29 *The Mexico Reader* is a vivid and comprehensive guide to muchos Mexicanos, the many varied histories and cultures of Mexico. Unparalleled in scope, it covers pre-Columbian times to the present, from the extraordinary power and influence of the Roman Catholic Church to Mexico's uneven postrevolutionary modernization, from chronic economic and political instability to its rich cultural heritage. Bringing together over eighty selections that include poetry, folklore, photo-essays, songs, political cartoons, memoirs, journalism, and scholarly writing, this volume highlights the voices of everyday Mexicans, indigenous peoples, artists, soldiers, priests, peasants, and workers. It also includes pieces by politicians and foreign diplomats, by literary giants Octavio Paz, Gloria Anzaldúa, and Carlos Fuentes, and by and about revolutionary leaders Pancho

Villa and Emiliano Zapata This revised and updated edition features new selections that address twenty first century developments including the rise of narcopolitics the economic and personal costs of the United States mass deportation programs the political activism of indigenous healers and manufacturing workers and the impact of the COVID 19 pandemic The Mexico Reader is an essential resource for travelers students and experts alike **A Fascination for Fish** David C.
