Guerrillas in Power K. S. Karol, 1970 *Les guérilleros au pouvoir. Guerrillas in power: the course of the Cuban Revolution. Translated ... by Arnold Pomerans k. s Karol (pseud.), 1971* **Guerrillas in power** K. S. Karol, **Guerillas in Power** K. S. Karol, 1970 Caribbean Revolutions and Revolutionary Theory Brian Meeks, 2001 This volume re examines the meaning of revolution as a useful concept in politics It traces the history of the concept from its ancient beginnings but especially in connection with the idea of progress since the French Revolution More recent statements are examined as a prelude to arriving at a less deterministic entrenched definition than has often been the case but which retains the idea of revolution as a potential window and facilitator of change **Guerrilla Prince: The Untold Story Of Fi** Georgie Geyer, 2011-02-01 Based on hundreds of interviews conducted over many years in 28 countries including extensive personal interviews with Castro himself Georgie Anne Geyer reveals the untold story of Fidel Castro in this definitive biography

should be understood as the evolving synthesis of the imaginaries constructed by its many subjects including revolutionary leaders activists academics and ordinary people within and beyond the island's borders The book reopens some of the questions that have long animated debates about Cuba from the relationship between populace and leadership to the archive and its limits while foregrounding the construction of popular understandings It argues that the politicization of everyday life was an inescapable effect of the revolutionary process as well as the catalyst for new ways of knowing and being

Moscow and Havana 1917 to the Present Mervyn J. Bain, 2018-12-03 This book addresses the relationship between Moscow and Havana in the period from the Russian Revolution through the present i.e. from November 1917 onwards Its release is particularly timely due to both November 2017 being the 100th anniversary of the Russian Revolution as well as the historic election in Cuba in April 2018 when Miguel Díaz Canel replaced Raúl Castro as the President of Cuba Traditionally Moscow's interest in Cuba has been thought to have been ignited by the Cuban Revolution in January 1959 and ended by the implosion of the Soviet Union in December 1991 This book examines why a bilateral relationship has existed throughout the last century specifically in three distinct periods 1 from the time of the Russian Revolution until the Cuban Revolution 2 from January 1959 until December 1991 and 3 the post Soviet period from 1992 until the present It also analyzes the questions of what within the relationship drew the two countries together in these three disparate periods when in only one January 1959 to December 1991 did the relationship exist between two socialist governments It offers a number of different conclusions including that although each period of the relationship has its own peculiarities and nuances a number of commonalities exist between the three eras Consequently it is posited that due to these commonalities the contemporary bilateral relationship remains important for both countries and is likely to continue in its present form for the short to medium term despite the historic change which occurred in Cuba in April 2018
