

The background of the book cover is a photograph of a traditional Japanese garden. On the left, a portion of a building with a dark wooden frame and a white lattice window is visible. The garden features large, moss-covered rocks, a small stream or pond, and several large, leafy trees. A low wooden fence runs across the middle ground. The overall scene is peaceful and scenic.

Study Abroad, Second Language Acquisition and Interculturality Martin Howard, 2019-08-07 This book unites

a range of emerging topics in the burgeoning transdisciplinary fields of second language acquisition and interculturality in a study abroad context. It explores key issues, trends, and approaches within each strand and how the strands relate to one another, painting a big picture of the diversity and complexity underpinning second language acquisition in a study abroad context. The chapters highlight themes such as social networks, input and interaction issues, learner identities, and study abroad in lingua franca contexts, while also presenting other themes spanning the breadth of second language acquisition and interculturality research, such as individual differences and linguistic development. This comprehensive and cohesive volume showcases the latest innovative research using quantitative, qualitative, and mixed method approaches across a range of source and target language learner cohorts and highlights emerging themes and directions for future research.

The Concise Encyclopedia of Applied Linguistics Carol A. Chapelle, 2020-01-09. Offers a wide-ranging overview of the issues and research approaches in the diverse field of applied linguistics. Applied linguistics is an interdisciplinary field that identifies, examines, and seeks solutions to real-life language-related issues. Such issues often occur in situations of language contact and technological innovation where language problems can range from explaining misunderstandings in face-to-face oral conversation to designing automated speech recognition systems for business. The Concise Encyclopedia of Applied Linguistics includes entries on the fundamentals of the discipline, introducing readers to the concepts, research, and methods used by applied linguists working in the field. This succinct, reader-friendly volume offers a collection of entries on a range of language problems and the analytic approaches used to address them. This abridged reference work has been compiled from the most accessed entries from The Encyclopedia of Applied Linguistics (www.encyclopediaofappliedlinguistics.com), the more extensive volume which is available in print and digital format in 1000 libraries spanning 50 countries worldwide. Alphabetically organized and updated entries help readers gain an understanding of the essentials of the field, with entries on topics such as multilingualism, language policy and planning, language assessment and testing, translation and interpreting, and many others. Accessible for readers who are new to applied linguistics, The Concise Encyclopedia of Applied Linguistics includes entries written by experts in a broad range of areas within applied linguistics. Explains the theory and research approaches used in the field for analysis of language, language use, and contexts of language use. Demonstrates the connections among theory, research, and practice in the study of language issues. Provides a perfect starting point for pursuing essential topics in applied linguistics. Designed to offer readers an introduction to the range of topics and approaches within the field. The Concise Encyclopedia of Applied Linguistics is ideal for new students of applied linguistics and for researchers in the field.

Sloganization in Language Education Discourse Barbara Schmenk, Stephan Breidbach, Lutz Küster, 2018-11-01. This volume focuses self-critically on sloganization as an emergent phenomenon in language education discourse. Motivated by an increasing uneasiness with a number of widespread concepts in current language education research that have become sloganized, this volume comprises a collection of chapters by international

scholars that scrutinize the discourse of language education identify popular slogans and reconstruct the sloganization processes It promotes critical self reflection of scholars and professionals in the field of language education a field that has widely been dominated by the need to develop innovative approaches and practices at the expense of self critical work that attempts to situate the field and its approaches within wider historical cultural and conceptual contexts **Towards**
