allegory comes alive in the unforgettable voices of the city's people unexpectedly drawn together by hope, beauty, and the artistic crime of the century. A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and in hindsight, heartbreaking innocence. Hailed as a fiercely original talent, San Francisco Chronicle award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. **BONUS** This edition includes an excerpt from Colum McCann's *TransAtlantic*. This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed. Dave Eggers: Stunning, an elegiac glimpse of hope. It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families, the ones we're born into and the ones we make for ourselves. USA Today
