Missionary of Reconciliation Alfred Olwa, 2013-11-30 Missionary of Reconciliation The Role of the Doctrine of Reconciliation in the Preaching of Festo Kivengere of Uganda 1971-1988 Alfred Olwa Sydney Australia In the period 1971-1988 the Christian doctrine of reconciliation was central to Festo Kivengere's preaching in Uganda and beyond This doctrine so gripped Kivengere that it shaped his attitude to life to others and even to his enemies He exhorted his audiences to be reconciled with God and then with their fellow human beings as part of God's remedy for a broken world In his preaching Kivengere depicts Jesus as a missionary of reconciliation who brings a fresh and alternative life characterized by the reconciling love and peace from God He preached the Christian doctrine of reconciliation into a Uganda where Christians lived under the horrors of Amin's rule and its aftermath According to Kivengere the world changes through the preaching of the reconciliation centered in Jesus Christ **Luke 6:40 and the Theme of Likeness Education in the New Testament**

Thomas W. Hudgins, 2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6:40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6:40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6:40 and its immediate context 2 Luke Acts and 3 the New Testament corpus **Lex Talionis in Early Judaism and the Exhortation of Jesus in Matthew 5:38-42**

James Davis, 2005-02-15 In Matthew 5:38-42 Jesus overrides the Old Testament teaching of an eye for eye and a tooth for a tooth the Lex Talionis law and commands his disciples to turn the other cheek James Davis asks how Jesus teaching in this instance relates to the Old Testament talionic commands how it relates to New Testament era Judaism and what Jesus required from his disciples and the church Based on the Old Testament texts such as Leviticus 24 Exodus 22 and Deuteronomy 19 a strong case can be made that the Lex Talionis law was understood to have a literal application there are several texts that text of Leviticus 24 provides the strongest case that a literal and judicial application However by the second century AD and later Jewish rabbinic leadership was essentially unified that the OT did not require a literal talion but that financial penalties could be substituted in court matters Yet there is evidence from Philo Rabbi Eliezer and Josephus that in the first century AD the application of literal talion in judicial matters was a major and viable Jewish viewpoint at the time of Jesus Jesus instruction represents a different perspective from the OT lex talionis texts and also possibly from the Judaism of his time Jesus commands the general principle of not retaliation against the evil person and intended this teaching to be

Knorr, 2023-04-01 An argument for Women Pastors Elders and Deacons based solely on the Bible and backed by historical evidence After discovering a textual variant in early Greek manuscripts which were supported by early Greek scripture quotations from the early church fathers the author realized this variant reading provides the important context which reverses how many are currently understanding Paul's apparent prohibition of women teaching in the pastoral epistles The discovery of this variant completely changed the author's thinking and prompted a thorough study of the topic

Setting cultural arguments aside and relying solely on the text of Scripture this book answers the critical question Do these passages prevent women from being pastors elders and or deacons After an in depth study the author concluded that there is zero biblical evidence based on the original text of Scripture to support prohibiting women from holding leadership positions of pastor elder or deacon in the church

Perseverance and Apostasy in the New Testament Dongsu Kim, 2022-05-27

Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God s sovereignty and human responsibility the role of the Holy Spirit for the believer s perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy

ENDORSEMENTS

The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim s near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book

Dr Sam Storms
Lead Pastor of Bridgeway Church Oklahoma City
Enjoying God Ministries

Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament

Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic

Dr Thomas R Schreiner
James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology
The Southern Baptist Theological Seminary

Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance

Dr Kenneth Berding
Professor of New Testament
Talbot School of Theology at Biola University

Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of

numerous passages across the New Testament beginning with the Synoptics and John's Gospel walking through Acts and the letters and completing with the book of Revelation One's theological presuppositions will of course affect how he/she receives and responds to Kim's case. It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude. Yet undoubtedly *Perseverance and Apostasy in the New Testament* proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions. This well-written book will serve its readers effectively by sharpening or challenging their views if not both. Dr. John Lee, Associate Professor of New Testament, Midwestern Baptist Theological Seminary. This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition. *Perseverance and Apostasy in the New Testament* provides a thoroughly biblical and hermeneutically and canonically sensitive study. Kim's exposition is scholarly, rigorous, and articulate. He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in salvation. *Perseverance and apostasy in the New Testament* is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike. Dr. Peter A. Lillback, president, Westminster Theological Seminary, Philadelphia. The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted. For example, the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification. In response to these criticisms, challenges, and distortions, this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts. Dr. Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ. This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy. Dr. Sung Wook Chung, Professor of Christian Theology, Denver Seminary. Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not. Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy? Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture? Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers. He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy. He challenges himself and his readers to allow the New Testament itself to revise and refine our theological presuppositions and working definitions. Kim is also aware of the error of selective evidence. To avoid it, he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy. Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy. Dr. Andrew D. Parlee, Professor of Systematic Theology, Greater Europe Mission, Thirdmill Seminary.
