Significance of Indian Medicinal Plants and Mushrooms Dr. Ved Prakash, *Immunity Strong* Robert G. Lahita, 2022-01-05 There is a biological force within the body that wants you to live to old age While conventionally this force is known in medicine as the immune system Dr Bob calls it The Biological Soul The Biological Soul is designed to protect you and allow you to live a healthy life This force is tangible measurable lives within the physical body and determines our age and wellbeing through life It is physical and complex and in many ways spiritual It is affected by life's stresses by diets and by overall health and though not immortal it both shapes your life and your life shapes it IMMUNITY STRONG walks readers through how the immune system works what makes it implode or keeps it safe and what modern science reveals about how it connects to every part of the body to keep it alive as the seat of our Biological Soul Written in Dr Bob's trade mark down to earth style the book explains that the normal immune system functions like a police department protecting the body from harm While as a nation we have recently been focused on the effects of infections the book reveals that it is important to note that disorders of immunity are at the root of most diseases that shorten or impact our lives From chronic pain and fatigue syndromes heart disease and clogged arteries and even the ability to recognize and destroy cancer to multiple sclerosis lupus celiac disease rheumatoid arthritis and autoimmune disorders are all linked to one or another glitch in the immune system The purpose of this book is to provide significant information on the incredible complexity of the immune system and how the integration of spiritual scientific and emotional values can enhance health It is Dr Bob's hope that readers will find a new appreciation of the miracle that is the physical body and to understand the potential within our Biological Soul to promote longevity and overall happiness to life IMMUNITY STRONG Boost Your Body's Natural Healing Power and Live to 100 is a must read for anyone wishing to nurture and enhance their health
